CAMPAIGNS AND ORGANIZATIONS

Demos

Demos' purpose is to help build a society where America can achieve its highest democratic ideals. We believe that requires a democracy that is robust and inclusive, with high levels of electoral participation and civic engagement, and an economy where prosperity and opportunity are broadly shared and disparity is reduced. Founded in 1999, Demos' work combines research with advocacy - melding the commitment to ideas of a think tank with the organizing strategies of an advocacy group. <http://www.demos.org/home.cfm>

Right to Vote

The mission of the Right to Vote Campaign is to remove barriers to voting faced by people with felony convictions, so they may freely participate in the democratic process. To achieve this goal, we aim to change policies, practices and perceptions concerning felony disenfranchisement at local, state, and national levels. <http://www.righttovote.org/index.asp>

Sentencing Project

The Sentencing Project is a non-profit organization which promotes reduced reliance on incarceration and increased use of more effective and humane alternatives to deal with crime. It is a nationally recognized source of criminal justice policy analysis, data, and program information. Its reports, publications, and staff are relied upon by the public, policymakers and the media.
