### **Selected National Resources**

#### **National Institute for Correctional Education (NICE)**

NICE is a collaborative initiative that provides support and service to the community of correctional educators in order to enhance their ability to create positive and effective learning environments. See <http://www.iup.edu/nice/>

#### **U.S. Department of Education: Office of Correctional Education (OCE)**

The OCE provides technical assistance to states, local schools and correctional institutions and shares information on correctional education. See <http://www.ed.gov/offices/OVAE/AdultEd/OCE/index.html>

#### **Correctional Education Association (CEA)**

The CEA, founded in 1946, is a non-profit, professional association serving educators and administrators who provide services to students in correctional settings. The CEA is the largest affiliate of the American Correctional Association. See <http://www.ceanational.org/>
