

Master's Degree Programs

John Jay College of Criminal Justice offers the master's degree in 8 fields of study. The master's degree programs complement a bachelor degree program as well as enhance the academic and professional body of knowledge in the fields of criminal justice and public service. Each program is intended to meet the needs of pre-career, in-career, and second-career students.

Master's programs that students may select to pursue include:

- Criminal Justice
- Forensic Computing
- Forensic Mental Health Counseling
- Forensic Psychology
- Forensic Science
- International Criminal Justice
- Protection Management
- Public Administration

The most popular master's programs in Fall 2010 are Public Administration with 41% of the graduate population enrolled, Criminal Justice with 29% enrolled, and Forensic Psychology with 12% enrolled.
