Address where you receive mail:

(Street/PO Box)

(City) (State) (Zip)

Email address: _____

Phone Number: _____

Major _____ GPA _____

Expected date of graduation from JJC _____

Are you currently employed?

Yes, On Campus Yes, Off Campus Not currently employed

If yes, how many hours per week do you currently work? _____

How many hours per week do you wish to tutor? _____
(4 hrs/week min, 19 hrs/week max)

Briefly describe any previous tutoring experience you have had:

Briefly describe any other work experience you have had:

Successful applicants may be assigned to the Math & Science Resource Center, the Math Prep Center, or both. The primary focus of the Math Prep Center is to help students pass remediation classes. In addition to any college-level MPC courses for which they are qualified, all MPC tutors are required to tutor the CUNY Assessment Test in mathematics, MATH 100 and MATH 103. These classes cover basic arithmetic and algebra skills. Would this be a problem for you? If yes, please explain why.

Please check all courses which you have completed with a grade of A- or better and would feel comfortable tutoring:

Your completed application (application form, transcripts, faculty recommendation) is due approximately three weeks before the start of the semester. Early applications are appreciated and encouraged. Please contact either Michele Doney (mdoney@jjay.cuny.edu) or Briana Weinert (bweinert@jjay.cuny.edu) for the exact deadline for the semester for which you are applying. Qualified applicants will be contacted via email with further instructions and to schedule an interview.
