Further Information

The Innocence Project

The Innocence Project is a non-profit legal clinic dedicated to exonerating wrongfully convicted people through DNA testing and reforming the criminal justice system to prevent future injustice. The Innocence Project website provides overviews of cases, issues, and platforms, as well as legal information and fact sheets related to wrongful conviction and exoneration. See <http://www.innocenceproject.org>.

After Innocence

After Innocence is a documentary film, produced in association with The American Film Foundation, following seven men as they reenter society after serving sentences for crimes they did not commit. See <http://www.afterinnocence.com/>.
