John Jay's "Help Rebuild Haiti Campaign"

The catastrophe in Haiti reminds us all that tragedy can strike at any time. We, as a Community, are all deeply saddened by the loss of life and the continued human suffering. In response, the John Jay College Community has mobilized to assist with relief efforts.

The Department of Counseling is available for those members of the student community who wish to find support as they react to this tragic event and/or receive support accessing external resources. Individual counseling support services and group consultation for offices and departments are available by contacting the Counseling Center at 212-237-8111 or visiting the office in room 3140 North Hall.

Members of the faculty and staff community are encouraged to contact Dean Donald Gray (x8512) or Christel Colon (x8296) for in house resources and to be connected to the CUNY Work/Life Program.

Monetary donations will be accepted in Haaren and North Hall lobbies beginning Friday, January 22nd and Westport lobby beginning Thursday, January 28th. We encourage students, faculty, staff and alumni to give as generously as your circumstances permit.

Monetary donations will be distributed to reputable organizations such as the Red Cross, Yele Haiti, ClintonFoundation.org and others for the purchase of food, water, medical supplies and other necessities as determined by the organizations.

If you are willing and able to assist in these initial fundraising efforts by staffing a donation table for an hour or more, please contact the Division of Student Development at 212-237-8100 and/or helprebuildhaiti@jjay.cuny.edu.

Over the course of the Spring 2010 semester, there will be a variety of events geared towards raising funds for the College's "Help Rebuild Haiti Campaign." We are happy, grateful and most thankful to Lincoln Center of the Performing Arts for their willingness to partner with us on many of these endeavors. Please check the College's website on a regular basis for updated information.

In closing, our thoughts and prayers are with the affected members of the John Jay family, the people of Haiti and the global community.

Sincerely,

Vice President Berenecea Johnson Eanes
