Interested in a tour?

The New Yorker Residence gives tours of the student housing facility seven days a week at 2:30 pm. You do not need to make a reservation or sign up in advance. You can visit the New Yorker (481 8th Ave between 34th and 35th St.) and stop by the security desk near the elevators to inform the staff that you are there for a tour of the student residence. You must arrive at 2:30 pm as that is the only time staff and rooms are available to show.
