

Collection Agency Payment

1. WHAT IS COLLECTION AGENCY PAYMENT?

Students who are transferred to a collection agency will no longer be permitted to pay their bill at John Jay College. Balances are transferred to a collector when recorded as more than six (6) months past-due. All payments or payment arrangements must be made directly with the assigned collector. Students are responsible for the balance owed to the college as well as any additional fees/surcharges from the debt holding agency.

2. WHERE IS THE PAYMENT ACCEPTED?

Immediate Credit Recovery (ICR)

Students are transferred to the primary collection agency (ICR) if the balance is past due longer than 6-months after the official last day of the semester. **All payments or payment arrangements must be made directly with Immediate Credit Recovery 1-800-964-5689.**

ICR charges a collector fee that may be up to 15% of the balance JJC referred. For example, a student balance is submitted to ICR in the amount of \$100.00. ICR will charge \$15.00 in collection costs. The total balance due to clear all holds is \$115.00. Be advised, collector fees are subject to change per the collectors policy, university compliance and/or state law. Students are responsible for the balance owed to the college as well as any additional fees/surcharges from ICR.

Account Control Technology (ACT)

Students are transferred to a secondary collection agency (ACT) if the balance has remained unpaid for more than one year since the date of placement with ICR, the primary collector. ICR may close accounts for reasons other than non-payment, not limited to: Irregular payments, non-compliance with a payment schedule, limited telephone contact etc. John Jay College will refer all accounts closed with ICR to ACT. **ALL payments or payment arrangements must be made directly with Account Control Technology 1-844-743-1302.**

ACT charges a collector fee that is approximately 22% of the balance JJC referred. For example, a student balance is submitted to ACT in the amount of \$100.00. ACT will charge \$22.00 in collection costs. The total balance due to clear all holds is \$122.00. Be advised, collector fees are subject to change per the collector's policy, university compliance and/or state law. Students are responsible for the balance owed to the college as well as any additional fees/surcharges from ACT.

3. HOW IS A COLLECTION AGENCY PAYMENT RECORDED?

Collection Agency Payments are posted to the student record as a "Collection Agency Payment." The collector will notify you if any additional follow-up is necessary. In addition, collection agencies disburse payment to the college in a month end report. This means John Jay College cannot apply your collection agency payment until the new month. For example, if a student pays the collector in January, it will not be reflected on their student account until February (typically within the first 10 business days).

4. I HAVE BURSAR HOLDS FOR MY PAST-DUE BALANCE—HOW DOES PAYING A COLLECTOR REMOVE IT?

Balances held with a collector must be paid in full with the appropriate agency. This includes all collection fees/surcharges. **Please allow up to ten (10) days for the Collection Agency to notify John Jay that the balance has been paid in full. Upon confirmation of full payment, the Bursar holds will be released, even though the payment will not be applied until the following month.**

Payment plans with a collector do not clear account holds. Student services will remain blocked until the balance is \$00.00. Blocked services include official/unofficial transcripts, enrollment letters, course registration, access to grades, and receiving a diploma.
