F. New York State Residency

For the purposes of determining tuition charges, a student is considered a NYS resident if they have maintained domicile in NYS for a period of at least 12 consecutive months immediately preceding the first day of classes for the semester which the residency determination is made. Residence in a dormitory, hotel, or other temporary housing facility does not qualify for in-state residency. **The Office of Admissions is responsible for classifying the student's residency status:** <https://www.jjay.cuny.edu/residency-and-state-tuition>

- Undergraduate students who reside in the State of New York and are enrolled in 12+ credits are eligible for a standardized tuition rate.** This means the student will pay a flat rate for registration between 12-18 credits.
- Undergraduate students who reside in the State of New York and are enrolled in 11 credits or less are eligible for an in-state, per credit rate of tuition.**

G. CUNY BAMA

The Baccalaureate/Master's Degree Programs provide academically advanced students the opportunity to simultaneously pursue the baccalaureate and master's degrees. It is available to students studying criminal justice, forensic psychology and public administration. These programs allow exceptional students the opportunity to complete the two degrees in a five year time period. In addition to the recognition associated with an advanced academic program, and the potential for accelerated degree acquisition, the BA/MA program has a built in scholarship incentive.

- Students are charged the undergraduate tuition rate for graduate courses until they reach 120 credits. Students are then charged graduate tuition rates, even if taking an Undergraduate Course.**
