E. New York State Residency

For the purposes of determining tuition charges, a student is considered a NYS resident if they have maintained domicile in NYS for a period of at least 12 consecutive months immediately preceding the first day of classes for the semester which the residency determination is made. Residence in a dormitory, hotel, or other temporary housing facility does not qualify for in-state residency. **The Office of Admissions is responsible for classifying incoming students' residency status:** <https://www.jjay.cuny.edu/residency-and-state-tuition>. ****If you are a continuing student (sophomore, junior or senior level), you must address your residency inquiry to the Office of the Registrar via e-mail at: residency@jjay.cuny.edu.****

- Undergraduate students who reside in the State of New York and are enrolled in 12-credits or more are eligible for a standardized tuition rate.** This means the student will pay a flat rate for registration between 12-18 credits.
- Undergraduate students who reside in the State of New York and are enrolled in 11-credits or less are eligible for an in-state, per credit rate of tuition.**

F. CUNY BA/MA

The Baccalaureate/Master's Degree Programs provide academically advanced students the opportunity to simultaneously pursue the Baccalaureate and Master's degrees. It is available to students studying Criminal Justice, Forensic Psychology and Public Administration. These programs allow exceptional students the opportunity to complete the two degrees in a five-year time period. In addition to the recognition associated with an advanced academic program and the potential for accelerated degree acquisition, the BA/MA program has a built-in scholarship incentive.

- Students are charged the Undergraduate tuition rate for graduate courses until they reach 120-credits. Once the 120-credits have been met, students are then charged at the Graduate tuition rates--even if taking an undergraduate course.**
