## PROFILE

Hi! My name is Jacklyn. I graduated from John Jay in 2021 as a member of the honors program with a degree in Forensic Science and a minor in Computer Science. My specialization in my major was Criminalistics. Outside of John Jay, I love to go hiking, and I try my best to go running as many days as possible.

I have been a tutor at the MSRC since January 2019, and I am now teaching recitation for the general chemistry classes. I am also a lab technician for the criminalistics classes.
