

ABOUT US

The Math & Science Resource Center (MSRC) serves as an Academic Support and Resource center for John Jay College undergraduate students enrolled in Math, Science and Computer Science courses. We work closely with the faculty and administration to deliver a variety of services to support student success.

MISSION STATEMENT

The mission of the **Math & Science Resource Center** is to provide quality academic support to undergraduate learners of **John Jay College of Criminal Justice** in the fields of mathematics, science and computer science. Our goals are to enhance students' metacognitive skills by using the socratic method of tutoring to **empower students to become independent life-long learners.**

MATH & SCIENCE RESOURCE CENTER

HOW TO MAKE A TUTORING APPOINTMENT

Currently, all one-on-one tutoring sessions are **remote** and take place via **Zoom**. Tutoring session last 50 minutes long and can be self-scheduled via **Tutor Trac**.

Tutor Trac is accessible from John Jay's homepage by navigating to **Web Apps > John Jay Services > Tutor Trac**. Students must log in using their John Jay email credentials. Alternatively, one may call our office during regular business hours to schedule an appointment. One will receive a confirmation via email after registering, One will also receive a separate calendar invite via email from the MSRC which will contain the **Zoom** link, meeting ID and password.
