

Group Progress Report 3

Due: Wednesday 11/22 by 11:59 p.m.

This is your last progress report. In this report I want you to reflect on your experience of working as a group. Answer the following questions in **paragraph format**.

1. Describe in detail starting in September the steps that you, as a group took to complete the project.
2. Identify each person's role within the processes. For example, who was the leader? How did s/he lead the project? Who was the editor? How and what did s/he edit. There are many other ways to discuss one's role within the project. The role does not have to have a title, but you should be able to describe it.
3. If you had to do this project over again, what would you do differently and why?
4. As a group, what were your weaknesses? What, if any steps, did you take to address these weaknesses?
5. As a group, what were your strengths? How did you build upon your strengths?
6. What advice would you give for future freshmen who have to complete the same project?
