

MATH PROGRAM

The Early Start Math Program gives you the chance to plan for success and earn credit for your **MAT 108 requirement**.

THE EARLY START Advantage

- 1 Pay no out-of-pocket costs towards tuition and receive free course materials for your MAT 108 summer course.
- 2 Concentrate on one course at a time.
- 3 Accelerate your academic process.
- 4 Enjoy a smaller class size and extra support.
- 5 Meet friends who will be in your fall classes.
- 6 Feel fully prepared to tackle college coursework in the fall.

WHEN IS IT OFFERED?

Early Start summer classes meet virtually Monday through Thursday, **July 19 to August 19**, 9:30a–1:30p. You will complete your MAT 108 requirement course in the summer. This will free up your fall schedule to take additional classes in the fall!

WHAT IS MY TIME COMMITMENT?

Plan to spend about **four hours a day** on the Early Start experience—meeting online as a class and completing activities on your own. Don't worry, you'll receive guidance every step of the way!

HOW DO I SIGN UP?

Go to www.jjay.cuny.edu/earlystart and submit an online application. We will email you within a week to confirm your registration. It's that easy!

QUESTIONS?

For questions or help deciding if this opportunity is right for you, please contact firstyearprograms@jjay.cuny.edu.
