Budgets are due to the Assistant Secretary of the Association according to the budget submission schedule. Check requests are honored by the Student Activities Association, Inc. Business Office upon receipt of an approved budget.

Allegations related to fraud regarding the use of, or theft of funds of the Student Activities Association, Inc. (SAA) may result in charges being brought against the accused individual before the Faculty Student Judicial Committee of John Jay College. Further CUNY By Laws specifies that debts to the Student Activities Association are debts to the College. Any amount due to the SAA including expenses for lost or stolen equipment will result in a hold being placed on a student's transcript and/or diploma and the student being barred from registration until the debt due to the Association is satisfied.
