Research Positions

Co-Investigator/Project Coordinator, July 2000 to July 2002

Decision Making in Terminally ill Cancer Patients

Research Project funded by the American Foundation for Suicide Prevention

This was a collaborative research project between involving Fordham University and Calvary Hospital. Research investigated decision making and the impact of treatment for depression on desire for hastened death among terminally ill cancer patients. Responsible for grant writing, IRB Protocols, recruitment, interviewing, data management and analysis.

National Institutes for Mental Health Predoctoral AIDS Research Fellow, July 1997 to 1998

Memorial Sloan Kettering Cancer Center, 1275 York Ave, New York, New York

Worked on research project examining the relationships among pain, depression and interest in physician-assisted suicide in AIDS and cancer patients. Responsible for interviewing patients and conducting assessments for depression, level of pain and level of functioning. Also responsible for recruiting participants, data entry and management, data analysis, and collaborative reporting of results.

Assistant Project Coordinator, 1993; Research Assistant, 1992

Development of the Moral Self

Research Project funded by the E.F. Kaufman Foundation

Activities included grant-writing, subject recruitment and data collection and analysis for longitudinal study of self-concept and morality throughout the adolescent and adult lifespan.

Research Awards

Co-Principal Investigator (with Barry Rosenfeld, Ph.D. & Andre Ivanoff, Ph.D.), "Dialectical Behavior Therapy for Stalking Offenders"

R34 Funded by the National Institute of Mental Health (\$450,000)

Program Developer and Principle Investigator, "Development of an Intensive Treatment Unit to address Inmate Violence and Self-Abuse"

Funded by the New York City Department of Health and Mental Hygiene (\$100,000)

Research Associate, "Sexual Abuse of Minors by Catholic Clergy"

Sponsored by the United States Council of Catholic Bishops (\$460,000)

Principal Investigator, "Dialectical Behavior Therapy for Stalkers: Phase II Pilot Study"

(PSC-CUNY Award # 66721-00-35), Funded by the CUNY Committee on Research Awards, 2004 to 2005 (\$4,603)

Principal Investigator, "Dialectical Behavior Therapy for Reducing Offending in Stalking Offenders" John Jay College Presidential Research Grant, 2003 to 2004 (\$6,000)

Principal Investigator, "Adaptation of Dialectical Behavior Therapy for stalkers: Pilot Project" (PSC-CUNY Award # 60029-33-44) Funded by the CUNY Committee on Research Awards, 2003 to 2004 (\$5,000)

Co-Principal Investigator (with Hayley Pessin, Ph.D.), "Burdens and benefits associated with participation in research at the end of life"

Funded by Fordham University Center for Ethics Education, 2001 to 2002 (\$1,000)

Co-Investigator (with Barry Rosenfeld, Ph.D., P.I.), "The impact of depression on end-of-life decision making: a longitudinal analysis" Funded by American Foundation for Suicide Prevention, 1999 to 2001 (\$150,000)
