

STEM MATH PROGRAM

The **Early Start STEM Math Program** gives you the chance to plan for success in your science major and **earn credit for your MAT 105 requirement.**

THE EARLY START Advantage

- 1** Pay zero tuition and receive free course materials for your MAT 105 summer course
- 2** Prepare for success in STEM majors
- 3** Accelerate your academic progress
- 4** Enjoy a smaller class size and extra support
- 5** Work with the same professor in pre-calculus this fall
- 6** Meet friends who will be in your fall classes

You will complete your required MAT 105 college algebra course in the summer and enroll in MAT 141 pre-calculus in the fall semester.

WHEN IS IT OFFERED?

Early Start summer classes meet virtually Monday through Thursday, **July 19 to August 19**, 9:30a–1:30p.

WHAT IS MY TIME COMMITMENT?

Plan to spend about **four hours a day** on the Early Start experience—meeting online as a class and completing activities on your own. Don't worry, you'll receive guidance every step of the way!

HOW DO I SIGN UP?

Go to www.jjay.cuny.edu/earlystart and submit an online application. We will email you within a week to confirm your registration. It's that easy!

QUESTIONS?

For questions or help deciding if this opportunity is right for you, please contact firstyearprograms@jjay.cuny.edu.
