Academic Standards:

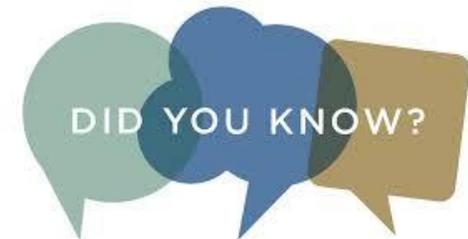

It is your responsibility for fulfilling the General Education Requirements, General Electives and Major Requirement Courses for your degree and graduation requirements. You are also responsible for observing the college deadlines, policies, rules and regulations published in the college bulletin. Completing these requirements would put you on the road to graduation in a timely manner. Continue to: Engage with your communities, Make Academic Connections, Network with others around campus and explore other options that will make your Junior Year rich and meaningful. Checkpoint....

- Have you completed the Required core courses: <http://www.jjay.cuny.edu/required-core>
- Have you completed the language requirements: <http://www.jjay.cuny.edu/foreign-language->
