

### A.S. Biology → B.S. Toxicology

LaGuardia Community College (LGCC) graduates who complete the Associate of Science degree in Biology will receive 60 credits toward the Bachelor of Science degree in Toxicology at John Jay College of Criminal Justice as indicated below.

Here is a sample plan of courses for two years at John Jay. Keep in mind you have control over which electives you take and how many credits you enroll in per semester. [Check out the Toxicology bulletin for a full list of requirements.](#)

[Work with your advisor](#) to determine the best course sequence for you at LGCC to prepare for your Bachelor of Arts degree.
