*Beginning the week of June 20, 2016; The College will be closed on Fridays

Admission Requirements
- Cumulative grade point average of 2.00 or higher from all postsecondary institutions attended
- Be *CUNY Skills Certified
- For students with less than 24 college credits completed, official high school transcript/official GED scores AND official SAT or ACT scores must be provided in addition to all other documents in the checklist below.

*CUNY SKILLS CERTIFIED REQUIREMENT: All students must be skills certified in reading, writing and mathematics. Transfer applicants must have completed at least one college-level, 3 credit course in English and one college-level course in mathematics with a grade of “C” or better or must demonstrate college-level readiness based on SAT, ACT or New York Regents test scores.

Application Process
An admissions counselor will review all transcripts to determine eligibility. If you meet the college’s requirements as an accepted direct transfer student, you will complete an online direct transfer application in the Office of Admissions. Before a decision is made, you must meet all admissions requirements and provide the necessary documentation listed in the checklist below for review.

Transfer Application Checklist

☐ Transcripts
  ➢ Bring or submit all applicable official college/high school transcripts (sealed in envelopes) to the Office of Admissions. Our office location is 524 West 59th Street, Room L.64.00 NB, New York, NY 10019

You must submit all official transcripts from ALL institutions attended before an admission decision can be made.

☐ Proof of High School Graduation
  ➢ Provide proof of high school graduation. Acceptable documents: original high school diploma, or official high school transcript or official GED diploma with scores.

☐ Submit an Application Fee
  ➢ Upon acceptance, you will have to pay a non-refundable application fee of $70.00 by submitting a check or money order made payable to UAPC.

(The Application Fee is waived for students currently enrolled at another CUNY college or students with a military background in which a DD214 form or military identification must be submitted.)

Students who are interested in Cell and Molecular Biology or Forensic Science
Students wishing to transfer into the Cell and Molecular Biology or Forensic Science programs must have a 2.50 GPA or higher in science and mathematics courses credited toward the major.

For International Students
International students on an F-1 visa are eligible for direct admission. Please contact International Admissions at internationaladmissions@jjay.cuny.edu to schedule an appointment.
