PART ONE: INTRODUCTION AND BACKGROUND

This report is an annual update of the Affirmative Action Plan (AAP) for federal contractors. The U.S. Department of Labor’s Office of Federal Contract Compliance Programs (OFCCP) oversees Affirmative Action Plan requirements for federal contractors. This plan reflects requirements for implementing:

- Presidential Executive Order (EO) 11246, addressing gender and federally protected racial/ethnic groups;
- The Vietnam Era Veterans’ Readjustment Assistance Act of 1974 (VEVRAA), as amended, for protected veterans; and
- Section 503 of the Rehabilitation Act of 1973, as amended, for individuals with disabilities.

Some aspects of this plan also reflect state and local regulations, guidelines for public entities, City University of New York (“CUNY”) trustees’ resolutions, and CUNY policy.

The employee census date is June 1, 2023. The previous reporting year was June 1, 2022 – May 31, 2023. The program year for this plan is September 1, 2023 – August 31, 2024.

This plan is available for public review as described on the title page.

Overview of the College

About John Jay

_Educating for Justice:_ There is no college anywhere in the U.S. or the world quite like John Jay. Founded in 1964, John Jay has evolved into the preeminent international leader in educating for justice in its many dimensions. John Jay is a senior college in the CUNY system and offers a rich liberal arts and professional curriculum that prepares students to serve the public interest as ethical leaders and engaged citizens. As a federally designated Hispanic-serving institution and a minority-serving institution, it is a top-ten institution for promoting student social mobility.

_Our Programs:_ John Jay’s academic programs balance the sciences, humanities and the arts with professional studies. The College is unique in its mission, providing rigorous course work, research, internships, community service and other learning experiences to prepare students to make a difference for themselves and others and to transform ideas into social action and leadership.

_Our Students:_ The College’s community of over 15,000 students, in a diverse array of undergraduate, graduate and doctoral programs, is one of the most diverse among CUNY’s senior colleges. The student body—38% Hispanic, 24% Black, 15% Asian, 63% female, 48% first-generation—produces leaders and scholars in policing and beyond, including forensic science, law, fire and emergency management, social work, teaching, private security, forensic psychology, and corrections. John Jay is also a leader in educating our nation’s military veterans, with about 200 currently enrolled.

_Our Faculty:_ The John Jay faculty, about 1,300 strong, includes Pulitzer Prize-winners and widely honored scholars and experts in a variety of academic fields, with credentials from the world’s top universities. They have been recognized by their professional peers and at all levels of government for their research, writing,
and mentoring. Through their research—often in collaboration with students—they advance knowledge to help build and sustain just societies.

Our Impact: Set in the heart of New York City, John Jay occupies a state-of-the-art campus that provides a wealth of opportunities to cultivate student interests, leadership, civic engagement, and cultural diversity. Laboratories and research facilities for forensic science, forensic psychology, emergency management, and other disciplines provide hands-on learning opportunities to complement the overall educational experience. Over the past 50 years, the College has added a wide range of innovative and interdisciplinary liberal arts majors and professions, but the core mission of “educating for justice” remains inviolate and unchanged. Our students learn to challenge the status quo, cultivate their passion for solving social problems, and become positive agents of change. Our alumni have long held leadership roles in public-sector agencies and private companies in the U.S. and worldwide. Now and always, we educate fierce advocates for justice.

Governance

John Jay is governed by the CUNY system’s Board of Trustees and the Office of the Chancellor. Karol V. Mason became the 5th president of John Jay College on August 1, 2017. She is the first woman and the first person of color to serve as president of the College.

Over the course of her long career, President Mason has been a legal pioneer and an exceptional voice for equality, fairness, and criminal-justice reform. She was a leader in the Obama administration on juvenile justice issues, bail reform and re-entry for individuals leaving prison, and in her distinguished career at Alston & Bird LLP, she was the first African-American woman elected as chair of the management committee at any major national firm.

To read President Mason’s biography, please visit: http://www.jjay.cuny.edu/president-biography.

Leadership

The President’s Senior Leadership Team is comprised of employees who are essential to the multiple operations of the College. The team is committed to the mission of the College and are considered among John Jay’s most valuable assets.

Appendix A displays an organization chart.

Policies

Protected groups identified in Executive Order 11246 are American Indian or Alaska Native, Asian, Black or African American, Hispanic or Latino, Native Hawaiian or Other Pacific Islander, Two or More Races, and Women. CUNY’s Chancellor designated Italian Americans as a protected group in 1976 and we produce a
separate plan for Italian Americans.

The President issues a reaffirmation of the College’s commitment to our policies annually (Appendix B).

CUNY posts its policies on non-discrimination, sexual misconduct, and affirmative action on its website. Appendix C provides the text of the major policies. 
https://www.cuny.edu/about/administration/offices/legal-affairs/policies-resources/

**Equal Opportunity and Non-Discrimination Policy**

The City University of New York (“University” or “CUNY”), located in a historically diverse municipality, is committed to a policy of equal employment and equal access in its educational programs and activities. Diversity, inclusion, and an environment free from discrimination are central to the mission of The University.

It is the policy of The University—applicable to all colleges and units—to recruit, employ, retain, promote, and provide benefits to employees (including paid and unpaid interns) and to admit and provide services for students without regard to race, color, creed, national origin, ethnicity, ancestry, religion, age, sex (including pregnancy, childbirth and related conditions), sexual orientation, gender, gender identity, marital status, partnership status, disability, genetic information, alienage, citizenship, military or veteran status, status as a victim of domestic violence/stalking/sex offenses, unemployment status, or any other legally prohibited basis in accordance with federal, state and city laws.

It is also The University’s policy to provide reasonable accommodations to applicants, employees and other persons on the basis of disability, religious practices, pregnancy or childbirth-related medical conditions, or status as victims of domestic violence/stalking/sex offenses.

This Policy also prohibits retaliation for reporting or opposing discrimination, or cooperating with an investigation of a discrimination complaint.

**Affirmative Action Policy**

CUNY’s original Affirmative Action Policy of May 28, 1985, is part of its Manual of General Policy, and it states: **ARTICLE V FACULTY, STAFF AND ADMINISTRATION**

Policy 5.04 - Affirmative Action:

RESOLVED, that the Board of Trustees of The City University of New York reaffirms its commitment to affirmative action and directs the Chancellery and the colleges to reemphasize the taking of the positive steps that will lead to recruiting, hiring, retaining, tenuring, and promoting increased numbers of qualified minorities and women. (Board of Trustees Minutes, 1985-05-28, Section 6-C)

**Sexual Misconduct Policy**

CUNY’s Policy on Sexual Misconduct addresses sexual harassment, gender-based harassment and sexual violence. It outlines procedures applicable to students and employees for addressing complaints.
Every member of the CUNY community, including students, employees and visitors, deserves the opportunity to live, learn and work free from sexual misconduct. Accordingly, CUNY is committed to:

1. Defining conduct that constitutes prohibited Sexual Misconduct;
2. Providing clear guidelines for students, employees and visitors on how to report incidents of Sexual Misconduct and a commitment that any complaints will be handled respectfully;
3. Promptly responding to and investigating allegations of Sexual Misconduct, pursuing disciplinary action when appropriate, referring the incident to local law enforcement when appropriate, and taking action to investigate and address any allegations of retaliation;
4. Providing ongoing assistance and support to students and employees who make allegations of Sexual Misconduct;
5. Providing awareness and prevention information on Sexual Misconduct, including widely disseminating this policy, as well as a “students’ bill of rights” and implementing training and educational programs on Sexual Misconduct to college constituencies; and
6. Gathering and analyzing information and data that will be reviewed in order to improve safety, reporting, responsiveness and the resolution of incidents.

This is the sole policy at CUNY addressing Sexual Misconduct and is applicable at all colleges and units at the University. It will be interpreted in accordance with the principles of academic freedom adopted by CUNY’s Board of Trustees.

Other Policies

Other important policies available on CUNY’s “Policies and Resources” webpage include:

- The **CUNY Campus and Workplace Violence Policy** which addresses workplace violence.
- The **CUNY Domestic Violence and the Workplace Policy** which addresses domestic violence in or affecting employees in the workplace.
- The **CUNY Procedures for Implementing Reasonable Accommodations and Academic Adjustments** which addresses the CUNY process for responding to requests for reasonable accommodations or academic adjustments.

CUNY campuses report crime statistics, including statistics relating to sexual violence under the federal Jeanne Clery Act. Information about John Jay’s statistics is available from John Jay’s Office of Public Safety at: https://www.jjay.cuny.edu/jeanne-clery-disclosure-campus-security-policy

**RESPONSIBILITY FOR IMPLEMENTATION**

The entire community participates in promoting diversity and inclusion. Additionally, we have assigned certain specific responsibilities.

**The President**
The President, Karol V. Mason, oversees affirmative action and diversity programs to ensure compliance with
federal, state, and city laws, rules and regulations and university policies and:

- Designates personnel to manage affirmative action, compliance and diversity programs. Personnel include the Chief Diversity Officer (CDO), 504/ ADA Coordinator and Title IX Coordinator
- Ensures these designees have authority, staffing, and other resources to fulfill their assigned responsibilities
- Communicates commitment to equal employment opportunity, including an annual reaffirmation in support of affirmative action, diversity and;
- Approves and releases reports, including this affirmative action plan.

Appendix B contains the annual reaffirmation letter issued by the President.

**Chief Diversity Officer**

The President has designated Gabriela Leal, Esq., as the Director of Compliance and Diversity who serves as the as CDO, 504ADA Coordinator and Title IX Coordinator. The CDO:

- Provides confidential consultation for, investigates, and resolves discrimination, harassment and sexual misconduct complaints;
- Distributes new and revised policies and notices, integrating them into training programs, search committee orientations, websites, and other media;
- Evaluates affirmative action programs and initiatives;
- Prepares and communicates Affirmative Action Plan reports;
- Consults with hiring teams and managers on recruitment and selection, overseeing recruitment plans and effective recruitment and selection strategies to promote a diverse workforce; and
- Participates in CUNY initiatives promoting diversity and inclusion.

The CDO completed the OFCCP’s on-line certification of compliance with affirmative action program requirements prior to June 30, 2023.

**College Officials**

Executives, department chairpersons, managers, and supervisors are critical partners in equal employment and affirmative action programs. They help ensure compliance with regulations and policies, foster an inclusive environment, and help develop and implement affirmative action programs.

**University Management**

CUNY’s University Office of Recruitment and Diversity (ORD) within the University Human Resources unit establishes job groups and report parameters, and reports summary statistics. ORD sponsors university-wide diversity programs described in this plan and maintains systems for data collection (including self-identification) and job postings.

PART TWO: DATA AND ANALYSIS

Collecting Employee Data
In early July 2023, we extracted human-resources data on full-time employees active as of June 1, 2023. We included personnel on most paid leaves, including medical leave and fellowship or sabbatical leave. We did not include personnel on terminal leaves such as retirement leave, student workers (including Graduate Assistants) or people employed separately by CUNY’s Research Foundation.

Gender, race/ethnicity, veteran status, and disability status are all self-identified by job applicants and new employees, and may be updated at any time on an employee self-service portal.

Of 2,664 employees, 11 employees did not identify a gender and 17 employees did not identify a valid race/ethnicity category. Any employee who did not specify a gender and/or ethnicity is included in the Workforce Analysis but not assigned to a protected group. 396 employees did not identify a veteran status and 2,332 did not identify a disability status.

Self-Identification Categories
We use the following categories to evaluate representation and utilization by race/ethnicity for the federal Affirmative Action Plan:

- Total Minorities (all groups other than White, reported as a single category);
- Asian (consolidates Asian, Hawaiian, and Other Pacific Islander);
- Black/African American;
- Hispanic/Latino;
- White (not included in utilization analysis).

American Indian/Alaska Native and Two or More Races are included under Total Minorities but not separately reported.

If a person identifies as both Hispanic/Latino and another group, they are recorded as Hispanic/Latino, and not as Two or More Races.

Consistent with long-standing agreements, we ask employees to self-identify Italian American status, and create a separate Italian American Affirmative Action Plan. We also invite employees to optionally provide data on their ancestries from a list of approximately sixty categories.

CUNY provides for six categories of gender identification, but we must use federally mandated categories for purposes of this Plan (“male” and “female”). Currently, only persons specifically identifying as “female” are included in the utilization analysis.
The federal government is in the process of preparing new standards for self-identification expected to impact future Affirmative Action Plans.

Analyzing Data
We analyze workforce data as mandated to promote a complete assessment, covering:

- Workforce Analysis (Evaluating employment within organizational units/departments)
- Job Group Analysis (Analysis of job groups and academic disciplines)
- Utilization Analysis (Comparisons with labor market availability measures)
- Transaction Analysis (Reviews of Personnel Actions, Recruitment and Hiring, and Compensation).

We rely on methods provided by the US Department of Labor’s Office of Contract Compliance Programs (OFCCP), in particular, the Educational Institutions Technical Assistance Guide (2019).

Workforce Analysis

Workforce Analysis is a review of employees’ organizational placement (i.e., by their assigned division and department). We review the data organized by job title in order of rank or salary grade.

There are 7 organizational units. The overall composition of full-time female and total minority employees within the organizational units is as follows:

- Executive/Administrative/Managerial: 66.1% female; 53.6% total minority
- Professional Faculty: 51.8% female; 41.8% total minority
- Professional Non-Faculty: 65.4% female; 74.6% total minority
- Administrative Support Workers: 71.1% female; 76% total minority
- Technicians: 50.4% female; 51.2% total minority
- Craft Workers: 0% female; 48.4% total minority
- Service Workers: 39.5% female; 93.5% total minority

Due to length, Workforce Analysis charts are not included here. The next two exhibits, Workforce Summary by Job Group and Full-Time Faculty by Title and Tenure Status, summarize the composition of the workforce by job group and by tenure status (for faculty).

Job Group Analysis

Job Group Analysis is a review by job function, evaluating employee data according to groups of jobs with similar duties and qualifications. A major input is the federal Standard Occupational Classification (SOC) coding system. Job Groups are organized into categories based on the federal EEO-1 coding system.

CUNY also reviews faculty by academic discipline. CUNY assigns most faculty departments to disciplines as per the US Department of Education’s Classification of Instructional Programs (CIP). CUNY analyzes data about College Laboratory Technicians by assigning departments to one of two categories: Scientific/Engineering/Technical or General (non-scientific).

The Utilization Analysis (see next section) provides detail on job groups and academic disciplines.

Utilization Analysis

We compare CUNY’s workforce with an estimate of the general labor market by job group. We evaluate utilization for females, major federal ethnicity categories—Asian, Black/African American, and Hispanic/Latino and Total Minorities (adding American Indian/Alaska Native and Two or More Races).

Labor Market Source Data

Labor Market Availability is an estimate used to benchmark staffing of persons in protected groups by job group. It represents the proportion of each group available for employment in the labor market for jobs CUNY fills. This information is based upon an external labor market in a reasonable geographic area, and an internal labor market of personnel at CUNY eligible to be advanced into certain jobs.

- For external candidates except some faculty, we utilized the US Census American Community Survey (ACS), 5-year estimate, 2017-2021 (final), extracted from the University of Minnesota’s Integrated Public User Microdata Sample (IPUMS). Data is extracted based on a combination of geography, labor force participation, occupation, and educational attainment, depending on job group.

- For internal candidates, we utilized lists of CUNY-wide appointments over the 2017-2022 time period and consulted with CUNY’s Director of Civil Service Operations. Internal demographics are based on the last plan census date (June 1, 2022).

- For faculty discipline-based estimates, we utilized the US Department of Education’s National Center for Education Statistics’ Integrated Post-Secondary Education Data System (IPEDS) completion data, 2020-2021 (final). We use the Classification of Instructional Programs (CIP) to identify disciplines.

It is not possible to determine a highly exact estimate of the labor market for a given job group. For one thing, all calculations are based on historical data. It is important to consider both the calculations and the resulting findings to be general indicators.

We calculate underutilization for groups with a minimum of five incumbents, with the caveat that analyzing groups of less than 30 employees may generate less reliable results.

The President’s position reports outside of our establishment and is not included in any job group.

We report underutilization where the percent of personnel belonging to a protected group is less than 80% of the labor market estimate and the difference is equal to at least one full-time equivalent employee. The following illustration may help explain this calculation:

Illustration: Utilization and Underutilization
If a job group has 10 personnel and 50% of the available Labor Market is female, we expect 50% of personnel in that job group to be female.

In our example, there are 3 females in the job group (less than 4). Therefore, females are underutilized as compared with the Labor Market.

Underutilization is based on females represented at 80% of the job group or more; in this case, four or more.

Appendix D details utilization/underutilization in each category (job group and/or academic discipline). Where there is underutilization, we prioritize that job group for setting placement goals and conducting outreach when there are hiring or advancement opportunities.

Year-to-year variations in underutilization arise from a combination of changes in availability, hires, advancements, and separations. It is usually not possible to pinpoint a single, direct cause of most changes, particularly in the smaller job groups.

The following pages summarize historical changes in underutilization for each job group.
Exhibit: Summary of Historical Changes in Underutilization - Staff and College Lab Technicians 2023-2024

John Jay College

This is a summary of underutilization of protected groups for staff Job Group and EEO Category. We report Job Groups only in the years each has five or more incumbents.

This summary reports underutilization as follows:

- 2020 - 2021 Plan (as of 6/1/2020)
- 2021 - 2022 Plan (as of 6/1/2021)
- 2022 - 2023 Plan (as of 6/1/2022)
- 2023 - 2024 Plan (this plan, as of 6/1/2023)

In 2023, we updated Labor Market Availability estimates for the 2023 Plan Year, which could impact results. See the Narrative for details.

When underutilization does not change year-to-year, the most common reason is that there has not been an opportunity to hire or promote into that particular group.

Underutilization Summary
Exhibit: Summary of Historical Changes in Underutilization - Full Time Faculty 2023-20

John Jay College

This is a summary of underutilization of protected groups by Job Group and Discipline in faculty ranks. We report combinations of Job Group and Discipline only in the years each has five or more incumbents.

This summary reports underutilization as follows:

- 2020 - 2021 Plan (as of 6/1/2020)
- 2021 - 2022 Plan (as of 6/1/2021)
- 2022 - 2023 Plan (as of 6/1/2022)
- 2023 - 2024 Plan (this plan, as of 6/1/2023)

In 2023, we updated Labor Market Availability estimates for the 2023 Plan Year, which could impact results. See the Narrative for details.

When underutilization does not change year-to-year, the most common reason is that there has not been an opportunity to hire or promote into that particular group.

**Transaction-Based Analyses**

**Personnel Activity**
We review personnel actions for adverse impact. This means that we compare rates of hiring, promotion and termination of employees by gender and ethnicity and note material differences. We review activity for all job groups and report the results here for groups with a material number of actions and/or applicants.

Appendix E summarizes job actions, including tenure, by Gender and Ethnicity.

Given system limitations, we produce an estimate of net changes by job group. We compare employee title changes between two reference dates (June 1, 2022, and June 1, 2023). This method produces a reasonable estimate but may leave out some actions, such as an employee changing job groups more than once over the year. We note hires, moves to a higher or lower job group, moves within a job group, and separations.

Employees who change job groups and/or transfer between CUNY units are reported as separated from the first job and appointed to the second job. Federal guidelines state adverse selection may occur when any one group (protected or not) has a rate of hire, advancement or separation less than 80% of the rate of the most-selected group.

Tenure is a permanent status granted to professorial faculty and College Laboratory Technicians. Lecturers are eligible for a similar status, Certificate of Continuous Employment (CCE). Lecturers and College Laboratory Technicians are eligible after meeting service requirements. For professorial faculty, there are
extensive reviews resulting in tenure recommendations to the President.

Additionally, 2 College Faculty were either appointed or continued in the rank of Distinguished Professor, an award of merit recognizing extraordinary academic achievement. Two Distinguished Professors are female and 1 Distinguished Professor is a member of a protected ethnicity.

**Recruiting Activity**

CUNY is committed to equitable practices to recruit a diverse and highly qualified workforce. The Chief Diversity Officer reviews applicant data and recruiting outcomes to determine if there is a need to adjust recruiting and outreach plans.

Prior to posting a job vacancy, the Chief Diversity Officer reviews the physical and mental qualifications and the posting language in general. They also review recruiting plans for intended outreach. We post open positions on our Careers page, [https://cuny.jobs](https://cuny.jobs) and open Civil Service examinations on the CUNY Civil Service web page, [https://www.cuny.edu/about/administration/offices/hr/classified-civil-service/notice-of-exams-noe/](https://www.cuny.edu/about/administration/offices/hr/classified-civil-service/notice-of-exams-noe/).

We invite candidates to voluntarily self-identify gender, race/ethnicity, disability status, and veteran status.

The CDO reviews applicant self-identification data and determines whether there is a need for real-time adjustments to recruiting and outreach plans in order to ensure diverse and qualified applicant pools. The CDO may require additional outreach prior to proceeding with selection and/or interviews if there is a concern that the applicant pools are not sufficiently diverse.

We conduct most faculty and administrative hiring by appointing a diverse Search Committee for initial screening. The CDO provides an orientation, or “charge”, to committee members on effective selection practices, including practices aimed at reducing potential for bias. The CDO reviews applicant pools and interview pools for sufficient representation and certifies pools prior to committee review. Committees refer finalist candidates to the hiring manager(s) for a final selection.

**Appendix F** summarizes recruiting and selection by job group for searches concluded with a job offer between June 1, 2022, and May 31, 2023. This data includes part-time and full-time appointments.

We report all searches resulting in an offer during the reporting plan year. For some searches, there is a time gap between offer and start dates. To avoid a lag in reporting, we include searches based on date of accepted job offer, even if the employee has not started work by June 1. This explains differences between the total hires in personnel activity reports and completed searches in recruitment reports.
As per federal guidelines, an “applicant” is someone who applies to a specific full-time or part-time opening, has the minimum qualifications, is considered, and does not withdraw. We analyze applicant pools and selection rates for interviews, offers, and hires.

The waiver process involves a review by the CDO and a second review at CUNY’s System Office. A waiver may be granted in situations where it is highly unlikely we could fill the position competitively (such as unique
qualification requirements). We also grant waivers for positions representing a transfer of funding sources.

In the reporting year June 1, 2022 – May 31, 2023, there were a total of 2 total waivers, 50% were awarded to females and 100% were awarded to members of protected ethnicities. 0% represented initial hires. 50% represented advancements of current personnel. 0% represented transfers of funding and other reasons.

**Civil Service Hiring**

We participated in 6 university-wide hiring pools for Classified Civil Service vacancies. Applicants who are pre-qualified based on an examination score indicate their interest in working at one or more units, and each establishment interviews and hires according to Civil Service regulations. We report applicants expressing an interest in our unit at the hiring pools. CUNY’s Office of Human Resources Management administers and validates Civil Service examinations and maintains records of applicants and exam scores.

- Office of Compliance and Diversity:
• Division of Enrollment Management and Student Affairs and the Office of Compliance and Diversity
  o Let’s Talk Civility: Presented by The Institute for Civility in Government, “Let’s Talk Civility” was a two-session online workshop open to John Jay faculty, staff and students. Participants, comprised of students, faculty and staff, learned methods to achieve productive dialogue across differences in identity, beliefs and values. By underscoring self-awareness, individual responsibility, and respect for the lived experience of others, the curriculum equipped attendees with techniques to deconstruct the system of attack and defense and construct a welcoming approach to navigating difficult conversations. Participants discovered how to: 1) challenge their own biases and check their own defenses before forming an opinion; 2) avoid stress triggers and preserve their mental health and wellness; 3) improve their listening and communication skills; 4) increase their ability to empathize with the experiences of others; and 5) become ambassadors of civility in any situation.
  o Understanding Jewish Experiences & Antisemitism: Presented by The New York City Commission on Human Rights, “Understanding Jewish Experiences & Antisemitism” was a hybrid in-person and Zoom event for John Jay faculty, staff and students to promote a better understanding of New York City’s diverse Jewish communities, introduce Jewish history, customs and culture and address antisemitism and its impact on our local community and society at large. Using a human rights lens, participants explored: 1) antisemitism and its connection to other forms of prejudice and oppression; 2) the diversity of Jewish cultures and identities including diverse ethnic, racial, and religious groups within the Jewish community; and 3) strategies to interrupt antisemitism alongside other forms of discrimination.
  o The Psychology of Hate: DEI facilitator Ama Karikari-Yawson, Esq. and her team at Milestales Publishing and Education Consulting, led two in-person sessions on the “Psychology of Hate,” one for members of John Jay’s President’s Leadership Council comprised of staff, faculty and student leaders, and one for John Jay students participating in Student Affairs’ Leadership, Integrity, Diversity and Service (LIDS) Symposium. The sessions based discussions on recent hate-related incidents that continue to threaten communities throughout our country. During the workshop, Milestales used restorative justice circles to focus on the following objectives: 1) understanding the root causes of hate and bigotry, 2) discovering how hate can be unlearned and 3) practicing mindfulness, empathy and compassion.
  o Leadershape - Catalyst (student session only): Catalyst is an intensive one-day program that provides students with the opportunity to learn, discover, and act responsibly in confronting and managing the effects of discrimination. With an increase in hate crimes across the U.S., including New York City, against many communities including Asians, Black and Brown individuals, and members of the Jewish and LGBTQ+ communities, one John Jay facilitator led twelve students to explore questions like: Who do I want to be? Am I being the person I want to be? What are the causes and communities I care most about and how can I contribute? John Jay College identified and trained 9 additional facilitators to lead Catalyst’s future sessions.
  o Understanding Muslim Experiences & Anti-Muslim Bias: Presented by The New York City Commission on Human Rights, “Understanding Muslim Experiences & Anti-Muslim Bias” was a hybrid in-person and virtual event for John Jay faculty, staff and students. Participants explored Muslim history, culture and anti-Muslim bias through a human rights lens with a special focus on
our local New York City Muslim communities. The program 1) introduced Muslim beliefs and practices; 2) promoted understanding of our local diverse Muslim communities; and 3) addressed anti-Muslim racism and protections under the New York City Human Rights Laws.

- Vice President of Enrollment Management and Student Affairs, Brian Kerr, participated in the Black and Jewish Leadership Fellowship at the Shalom Hartman Institute.
- NORC focus groups: As part of Hillel’s Campus Climate Initiative to confront religious, ethnic and other forms of discrimination, the College hosted three separate focus groups for our Jewish identifying staff, faculty and students to gain a better understanding of the experience of our Jewish community members. The focus groups were led by NORC at the University of Chicago, an independent, non-partisan research institution, that helps governments, non-profits, businesses and universities make better decisions through data and analysis. NORC researchers asked the participants about their experience at John Jay College and about the current campus climate. This was an initial step in working towards the ultimate goal of achieving widespread multicultural/interfaith sensitivity and eliminating prejudiced behavior.
- The Hillel CCI Members Retreat, Connecting Leaders for Campus Change: Two members of John Jay’s leadership team attended CCI’s first in-person gathering of campus administrators across the U.S. who participate in CCI’s immersive program, the Campus Cohort. Participants explored best practices, learned from new research, and benefitted from dozens of diverse campus perspectives to improve the climate for Jewish students and all students in their campus communities.
- Seder at John Jay: John Jay hosted a Chocolate Unity Seder for the larger CUNY community. Attendees, including Chancellor Félix V. Matos Rodríguez and John Jay President Karol Mason, celebrated Passover and learned about shared and distinct Jewish traditions.

**Ongoing Campus Programs**

- **Hillel Campus Climate Initiative (CCI):** John Jay is participating in an 18-month program to build awareness, allyship, and action around antisemitism, as part of a broader effort to address hate and bias on campus. This program involves education of campus administrators, data collection and collaboration among various stakeholders to create a positive campus climate in which Jewish students, and ultimately all students, feel comfortable expressing their identity and values, free of antisemitism, harassment, or marginalization.
- **Student Faithful Fellowship:** As part of Hillel’s Campus Climate Initiative, John Jay Created the Student Faithful Fellowship where students meet once a week with the goals of representing various religions, traditions and denominations. Students built rapport, knowledge, sensitivity, and community by exploring commonalities and differences among religions, including prayer, food traditions, societal roles, culture, celebrations, holidays, language and areas of shared interests and understanding.
- **Office of Institutional Effectiveness:** The 2020-2025 College-wide Strategic Plan includes a focus on supporting and sustaining the diversity and inclusivity of John Jay’s working and learning environment. Goal 3 of the Strategic Plan is “to embody and promote our values of equity, diversity, and inclusion.” The objectives for this goal include: closing graduation equity gaps for all student populations; achieving equitable student success across all learning modalities; continue to hire, retain, and advance a diverse faculty through collaborative support and mentoring services for all faculty at all stages of their careers; and developing a shared framework across the faculty that informs a culturally affirming, inclusive pedagogy and curriculum design. The Strategic Plan also identifies goals that support the recruitment, retention and promotion of diverse faculty members while also supporting faculty training and mentoring to improve promotion and retention of diverse candidates.
- **LinkedIn Learning:** Human Resources and Compliance and Diversity created a DEI online training program that supports a respectful workplace and addresses issues of racial equity.
through LinkedIn Learning. This training program is accessible to all faculty and staff and is a mandatory program for all new staff and faculty.

- **Office of the Provost, Human Resources and Compliance & Diversity:** Enacted new strategies and recruitment protocols for the College’s faculty and staff lines to increase the diversity of the candidate pools. These new protocols required that all search committees identify additional recruitment/advertising to target minority candidates.

- **Search Committee Charge Trainings:** The Office of Compliance and Diversity provides a training to staff and faculty serving in open search committees. The training covers hiring and recruitment best practices, implicit bias and non-discrimination policies in recruitment.

- **Best Practices in Faculty Searches and Hiring/Faculty Charge Trainings:** The Office of the Provost and the Office of Compliance and Diversity provide a training to search committee members of open faculty searches. During this training, the search committee learns about the recruitment process, non-discrimination policies, how to minimize bias in the recruitment and interview process, interview guidelines, and best practices for conducting a successful search.

- **Title IX Trainings:** The Office of Compliance and Diversity conducts Title IX trainings in addition to online E-SPARC (employees) and SPARC (students) programs. These in-person and online trainings of various offices/departments and student groups, provide an in-depth overview of CUNY’s Policy on Sexual Misconduct and expectations of the College. These trainings increase awareness of CUNY policies, Responsible Employees, confidentiality, affirmative consent, informal resolutions, and where to file a complaint. These trainings also take place during student orientation and faculty/staff onboarding processes.

- **Trauma Informed Training:** All staff members responsible for receiving reports in Compliance and Diversity, Public Safety, Human Resources, and Enrollment Management and Student Affairs receive a free training in trauma informed perspectives through a partnership with the NYC Mayor’s Office to End Domestic and Gender-Based Violence. This training increases skills and awareness around best practices in victim interviewing techniques.

- **Confidential and Responsible Employee Focused Trainings:** The Office of Compliance and Diversity created a training video that is sent annually to all employees designated “Responsible Employees” under the CUNY Policy on Sexual Misconduct (approximately 200 employees). This training video ensures awareness and understanding of prohibited conduct as well as reporting obligations. In addition, the Office of Compliance and Diversity offers a virtual Q&A session for all Responsible Employees to answer questions, discuss hypothetical scenarios, and provide additional information on CUNY non-discrimination policies. The Office of Compliance and Diversity also provides an annual training to all Confidential Employees on the Policy on Sexual Misconduct and CUNY’s Equal Opportunity and Non-Discrimination Policy.

  - OAR will continue to promote newsletters for: Black History Month, Hispanic Heritage Month, Asian American History Month, and Women’s History Month

- The Center for Student Involvement & Leadership (CSIL):
  - The Center for Student Involvement & Leadership (CSIL) plans the continuation of monthly and cultural celebrations.

- LGBTQ+ Resource Center
  - The LGBTQ+ Resource Center continues to serve as a resource and inclusive space for lesbian, gay, bisexual, transgender, and queer students as well as students whose identities fall in-between or expand beyond these categories.

- Department of Public Safety
  - Creating Safer Communities Training: John Jay hosted a joint training for Title IX Coordinators, Chief Diversity Officers and Public Safety officers from all CUNY campuses to better understand the need for effective and prompt responses to hate crimes, recognize and identify bias indicators, and improve investigative techniques.

- Department of Public Safety and Office of Compliance and Diversity
  - Hate Crimes and Extremism Prevention Training: Led by the New York County District Attorney’s Office, this training will build capacity to recognize and address hate and extremism while educating against hate.

- Department of External Affairs, the Future of Public Safety Initiative, and the Office of Compliance and Diversity:

  - Free Speech vs Harassment: A training that will review First Amendment free speech protections and address behaviors in the classroom or online that may be hurtful or offensive but that do not rise to the level of harassment or discrimination prohibited by CUNY policy.
  - Bystander Intervention Training: Bystander intervention is built on the idea that we all play a role in creating safe public spaces. This training will provide strategies to safely respond when someone witnesses bias incidents and discrimination. Participants leave these trainings equipped with verbal and behavioral de-escalation strategies to non-violently intervene to disrupt hate-violence or hate speech. The trainings explore the meaning of safety, of being an effective ally, and how identity plays a role in the ways we choose to intervene.
  - Strategies to Address Online Harassment: Online harassment is one of the more difficult forms of abuse to manage because victims often rely on technology platforms to act and/or offer tools to stop the abuse, which often fall short of expectations. However, victims still need to use these platforms to survive and thrive. The training will (1) detail how online harassment is carried out today and who is being targeted, (2) breakdown strategies to respond, including platform tools and de-escalation tactics, (3) demonstrate steps to prepare for, mitigate and prevent online harassment and (4) explore ways to encourage bystander and upstander intervention that help create more supportive online communities.
  - Anti-Semitism and Islamophobia Trainings: Despite the increasing awareness in society of the need to identify and counter racism and religious intolerance, antisemitism and Islamophobia remain pervasive in society. Participants will explore the shared experience and impact of hateful acts felt in each of these communities. Participants will learn strategies and skillsets that effectively counter religious bigotry and promote religious inclusion and pluralism on campuses.
  - Intersection Identities and Sexual Violence: Intersectionality molds how we experience and respond to sexual violence, rape culture, and understand sexual and romantic relationships. This workshop aims to break down the various experiences and barriers students may have when it comes to sexual violence. It will take a deeper dive into understanding how different identities may influence a survivor’s choices in response, reporting, and healing. Additionally, this workshop will aim to teach faculty and staff how to support survivors with different identities in a responsive, responsible, and thoughtful manner.
  - My Role as an Athlete: This workshop is designated for student athletes. The workshop has a strong emphasis on bystander engagement. This workshop will examine sexual relationships between students, peer pressure, hazing, and engaging student leaders in changing the culture to create a safer space for all students.

**Ongoing Recruiting Activities**

The College’s programs benefit from additional University-wide recruitment, diversity, and compliance programs. The University:

- Lists job vacancies with State Workforce Agencies and veterans’ centers;
- Maintains consolidated advertising programs, including job boards serving veterans, individuals with disabilities, women, and protected minorities;
- Maintains accounts for university-wide job posting and outreach, including the Higher Education Recruitment Consortium;
• Provides training to Chief Diversity Officers and campus Human Resources personnel.

Recruitment policies support diverse applicant pools through:

• Required posting of open positions and of Civil Service Notices of Exam; typical faculty vacancies are posted for 30-60 days and administrative vacancies are posted for 14-30 days;

• Collecting applications in a single system where pre-established screening practices may be applied;

• Inviting candidates to self-identify race/ethnicity, gender, veteran status, and disability status when applying; data is kept confidential and used to analyze applicant pools; and

• For many positions, a diverse Search Committee evaluates candidates according to consistent, job-related criteria.

CUNY has a mandatory on-line training program for faculty and staff on sexual harassment prevention (E-SPARC) and workplace violence prevention (WPV); we regularly review training records and follow-up with non-participants.

• Posts information compliant with Title IX and New York State Education Law 129 b: *Combating Sexual Assault and Other Unwelcome Sexual Behavior.*

Additional efforts by CDO and the College to support diverse applicant pools:

• CDO posts and distributes notices of non-discrimination policies, changes in regulations, and similar compliance information.

• CDO makes the Affirmative Action Plan available for public inspection.

• CDO integrates compliance information into training programs for faculty, students, and staff.

• CDO provides oversight and review of search plans, certification of applicant pools, and review of search outcomes.

• The College makes continuous good faith efforts to recruit women and minorities by advertising all positions on the College website and CUNY-wide, for example:

  o Faculty and staff positions are posted with the New York State Department of Labor, ChronicleCareers.com, HigherEdjobs.com, Diversejobs.net, naaap.org (Association for Asian American Studies) and aaastudies.org (National Association of Asian American Professionals) to address underutilization in certain job groups.

  o Periodically, in support of efforts to recruit more diverse faculty and professional staff, positions are advertised for a fee via the Online Diversity Job Fair hosted by AcademicCareers.com.

• CDO has created an updated, comprehensive web page with relevant polices:
https://www.jjay.cuny.edu/harassment-discrimination-policies

- CDO continues to populate the web platform with the latest information on policies and resources around affirmative action, diversity, inclusion, disability and Title IX enforcement.

- The College will continue support and advance diversity and foster a broader sense of community and inclusiveness through cross-campus centers and interactive programming (e.g., the Center for Lesbian and Gay Studies; the Asian American/Asian Research Institute; the John D. Calandra Italian American Institute; the Center for Puerto Rican Studies; the Dominican Studies Institute, CUNY’S Women’s Centers; and the Office of Veterans Affairs) as well as events that enhance the quality of work-life balance (e.g., Wellness Center Services, the Employee Assistance Program-CCA@YourService).

- John Jay continues to broaden the College’s diversity recruitment and outreach efforts by working with faculty and staff departments to identify additional advertising outlets to ensure that faculty and staff openings are widely distributed to a diverse applicant pool.

**Internal Audit and Reporting**

The Chief Diversity Officer posts and distributes notices of policies, new/revised regulations, and similar compliance information, and makes this plan available for public inspection. The CDO integrates compliance information into faculty, student and staff training programs.

The Chief Diversity Officer’s responsibilities for audits and reviews include:
- Monitoring personnel actions, including new hires, transfers, promotions, and terminations
- Monitoring employee self-identification programs
- Reviewing recruiting outreach and advertising
- Monitoring complaints/incident reports for underlying trends

Chief Diversity Officers have responsibility for communicating elements of the Plan and reviewing progress.

CUNY recently implemented an on-line discrimination complaint tracking and reporting system.

CUNY regularly reports results externally and/or responds to audit requests from:
- New York State Department of Labor
- New York City Department of Education

CUNY also answers to the CUNY Board of Trustees, particularly its Subcommittee on Diversity, Inclusion and MWBE.

Equal Opportunity and Non-Discrimination Policy

The City University of New York (“University” or “CUNY”), located in a historically diverse municipality, is committed to a policy of equal employment and equal access in its educational programs and activities. Diversity, inclusion, and an environment free from discrimination are central to the mission of The University.

It is the policy of The University—applicable to all colleges and units—to recruit, employ, retain, promote, and provide benefits to employees (including paid and unpaid interns) and to admit and provide services for students without regard to race, color, creed, national origin, ethnicity, ancestry, religion, age, sex (including pregnancy, childbirth and related conditions), sexual orientation, gender, gender identity, marital status, partnership status, disability, genetic information, alienage, citizenship, military or veteran status, status as a victim of domestic violence/stalking/sex offenses, unemployment status, or any other legally prohibited basis in accordance with federal, state and city laws.

It is also The University’s policy to provide reasonable accommodations to applicants, employees and other persons on the basis of disability, religious practices, pregnancy or childbirth-related medical conditions, or status as victims of domestic violence/stalking/sex offenses.

This Policy also prohibits retaliation for reporting or opposing discrimination, or cooperating with an investigation of a discrimination complaint.

The City University of New York is committed to a policy of equal employment and equal access in its educational programs and other activities. Diversity, inclusion, and an environment free from discrimination are central to CUNY’s mission. CUNY posts its policies
on non-discrimination, sexual misconduct, and affirmative action on its website. We have posted these policies on the internet.

CUNY’s Equal Opportunity and Non-Discrimination Policy is provided in Appendix C.

Review of Personnel Practices

We seek to ensure personnel processes support equal employment opportunity for employees and applicants who are individuals with disabilities and/or protected veterans. We periodically review practices for potential barriers to employment, training, and promotion.

Personnel practices do not stereotype individuals with disabilities or protected veterans or otherwise limit access to employment. We include individuals with disabilities and veterans in media such as college publications and websites.

We invite employees to self-identify through an online self-service system. We invite applicants to self-identify through CUNY’s online applicant tracking system. CUNY maintains appropriate security measures for confidentiality of personal data.

Review of Physical and Mental Qualifications

We ensure physical and mental qualifications are job-related and consistent with business necessity and safety. We periodically review physical and mental qualifications as they relate to employment, training, and promotion.

As a routine practice, the Chief Diversity Officer, Gabriela Leal, reviews position requirements before listing a job vacancy. She reviews any new job qualifications or conditions to ensure they would not screen out qualified individuals with disabilities or protected veterans.

CUNY’s Civil Service unit reviews job requirements prior to issuing new or revised Civil Service job descriptions. CUNY also provides a checklist for planning a recruiting effort with a sign-off on job requirements.

Reasonable Accommodations

We provide reasonable accommodations to individuals with disabilities (including disabled veterans). According to our Policy on Implementing Reasonable Accommodation and Academic Adjustments, CUNY Human Resources Directors are responsible for responding to accommodation requests by applicants, employees, contractors, visitors, and others.

The contact for accommodation requests is:
Name: Keisha Pottinger-Moore
Title: Director of Human Resources Operations
Phone: (212)-484-1152
Email: kpottingermoire@jjay.cuny.edu
We have posted the Procedures for Implementing Reasonable Accommodation and Academic Adjustments online at:

https://www.cuny.edu/about/administration/offices/legal-affairs/policies-resources/

Information for applicants for employment is available on the Employment Page of the CUNY Website: https://www.cuny.edu/employment/. There is also a link at the bottom of each job posting on https://cuny.jobs directing the candidate to our accessibility page. Applicants may also contact the Office of Recruitment and Diversity at jobs@cuny.edu.

We provide reasonable accommodations based on: disability; pregnancy, childbirth, or medical condition related to pregnancy or childbirth; religious practice; and status as a victim of domestic violence, sex offense or stalking.

Recognizing requests may be resolved through dialogue, this year we documented 12 employee accommodation requests, successfully concluded 9 times and appealed 2 times. At this time there are no outstanding appeals. The College received 0 job applicant accommodation requests.

We are currently upgrading our campus facilities to improve access for student clubs and their members. This project demolished the old office style student club rooms in favor of a more open floor plan for the area, including a divisible 75-person general purpose room. This program is expected to be completed in the Fall of 2024.

The College is also nearing the bid process on a project that will create 3 self-contained rooms with multimedia for recording presentations and other types of work. This project will also create a classroom with access to multimedia to teach students and professors the new technologies.

**Harassment Prevention**

CUNY has developed anti-harassment policies and procedures concerning individuals with disabilities and protected veterans. The 504/ADA Coordinator, Gabriela Leal, reviews personnel practices to ensure access and non-discrimination for individuals with disabilities.

**External Policy Dissemination**

Each job vacancy announcement includes a summary of CUNY’s policy.

As noted above, CUNY posts its Non-Discrimination Policy on its employment website.

CUNY's Office of Labor Relations provides an annual notice of our policies to labor unions. Our establishment (or the university, as appropriate) sends written notice of the affirmative action policies to subcontractors, vendors, and suppliers, requesting compliance.

**Outreach and Positive Recruiting**

John Jay Programming Offices:

The Office of Military and Veteran Services (OMVS) supports military veterans, active duty service members,
reservists, guardsmen, officer candidates, and their family members with vibrant and relevant veteran-focused programs and assistance. Military and Veteran Services provides student veterans personal support through its on-site services, the student-led John Jay Veterans Association, dedicated Veterans’ Center spaces, our veteran honor society chapter, and assistance from staff and faculty throughout the college.

OMVS actively supports veteran students throughout their college experiences with: assistance in admission, enrollment and advisement; peer support programming; support for academic and personal success; social work support; veteran-focused academic courses; and job preparation, internship, and post-graduation employment programming.

The Office of Accessibility Services’ (OAS) mission is to ensure that students with disabilities have equal access to all college programs, services, activities and are afforded the same opportunity to participate in the learning process. It is the Office’s objective to see that students with disabilities are provided with an impactful learning experience. John Jay College is committed to equal access to education.

Planned Outreach for 2023-2024

The Office of Military and Veteran Services (OMVS)

• The Office of Military and Veteran Services (OMVS) will continue to promote and support programs in 2023-2024 designed to improve campus climate: Hispanic-Latinx Military Heritage Celebration (October 2023); African American Military Heritage Celebration (scheduled for February 2024); Women’s Military Heritage Celebration (scheduled for March 2024); LGBTQ+ Military Heritage Celebration (scheduled for April 2024) and Asian-Pacific Islander Military Heritage Celebration (scheduled for May 2024).

The Office of Accessibility Services (OAS)

• The Office of Accessibility Services (OAS) will continue to promote the Wellness Diversity and Inclusion (WDI) series. OAS planned outreach will focus on destigmatizing disability issues by increasing public awareness and understanding. As part of the efforts to destigmatize disability, OAS invites students to share their insights and opinions with the Office.
• OAS will continue to host the WDI series, increase participation and tap into different areas of interest of our students around wellness, diversity and inclusion.

• OAS will continue to induct students into Delta Alpha Pi Honor Society and encourage academic excellence, awareness and participation.

Ongoing efforts include:

• Disseminating information concerning employment opportunities to outlets reaching protected veterans (including disabled veterans) and individuals with disabilities;
• Advertising job openings with a variety of external resources, including required reporting to the New York State Labor Department and related agencies;
• Filing the annual federal VETS-4212 report;
• Assisting veterans with a passing score on a competitive Civil Service examination to apply for additional points based on veteran or disabled veteran status as per NY State statute; and
• Assisting qualified individuals with disabilities with appointment to classified competitive Civil Service titles without an examination (55(a) Program).

**Internal Policy Dissemination**

To foster positive support for affirmative action programs for protected veterans and individuals with disabilities, we have:

• Included policies in manuals and other publications;
• Explained policies and responsibilities to senior management and supervisors;
• Conducted training for employees involved in recruitment, selection, and promotion decision-making;
• Discussed policies in employee orientation and management training programs;
• Included information on the accomplishments of veterans (including disabled veterans) and other individuals with disabilities in unit communications;
• Posted CUNY Procedures for Implementing Reasonable Accommodation and Academic Adjustments on bulletin boards, along with the CUNY Policy on Non-Discrimination (addressing protection from harassment on the basis of disability); and
• Featured persons who are individuals with disabilities in handbooks or similar publications.
• Distributed a college-wide announcement each semester that contains information on requesting accommodations and guidelines pertaining to accommodating students with disabilities; and
• Posted CUNY’s Reasonable Accommodations Policy on the College’s website.

**Implementation Responsibility**

As part of its efforts to ensure equal employment opportunity to veterans (including disabled veterans) and other individuals with disabilities, we have designated specific responsibilities.

**The President**

The President, Karol V. Mason oversees Affirmative Action and compliance programs. The President appoints a 504/ADA Coordinator to oversee compliance and provides support and resources for Affirmative Action and compliance. The 504/ADA Coordinator and the Chief Diversity Officer report issues uncovered in interview reviews to the President who oversees appropriate responses.
504/ADA Coordinator
As 504/ADA Coordinator, Gabriela Leal:
• Chairs 504/ADA Committee;
• Monitors 504/ADA compliance;
• Reviews and resolves issues such as disputed accommodation decisions;
• Maintains records of accommodation requests and outcomes;
• Ensures records are stored securely and confidentiality is maintained; and
• Provides training as needed on issues related to individuals with disabilities.

Other Officials
Other college officials support the implementation of affirmative action specific to individuals with disabilities and veterans.

Elena Beharry, Director of the Office of Accessibility Services (OAS) and Richard Pusateri, Manager of the Office of Military and Veteran Services (OMVS) support the implementation of affirmative action in areas which include accommodations and accessibility improvements.

University Management
CUNY’s Office of Recruitment and Diversity manages systems that capture self-identification data and provides data support to the campuses. The Office also administers CUNY’s 55(a) program to provide opportunities in Civil Service positions to individuals with disabilities.

Training
We ensure individuals involved with recruitment, selection, promotion, disciplinary actions, training and similar personnel receive an orientation on the relevant rules and regulations regarding veterans and individuals with disabilities. These efforts are conducted in the following ways:
• The College provides opportunities for employees to attend pertinent on-campus and off-campus professional development programs to enhance their knowledge of CUNY and relevant regulations.

• Non-Discrimination, equal employment opportunity, and disabilities related policies and resources are available on the College website: https://www.jjay.cuny.edu/hr-policies-and-procedures and https://www.jjay.cuny.edu/harassment-discrimination-policies

• The college’s Director of Compliance and Diversity in her capacity as CDO, Title IX Coordinator, and 504/ADA Coordinator continues to provide trainings on the College’s Equal Employment Opportunity and Affirmative Action Policies to multiple internal audiences.

• The existing employee online trainings for sexual harassment prevention and awareness complement the in-person and online training efforts of the CDO/Title IX Coordinator. The online training program, Employee Sexual and Interpersonal Violence Prevention and Response Course (E-SPARC), is provided by CUNY and required of all employees annually.

Audit and Reporting System
The Chief Diversity Officer audits the effectiveness of outreach and affirmative action programs in general
and monitors recruitment practices and discrimination claims related to status as a veteran or individual with a disability.

The 504/ADA Coordinator oversees audit and reporting in support of individuals with disabilities.

She identifies and addresses barriers to access and evaluates remedial actions. Any such findings are shared with the President and/or her designee.

**Benchmark Comparisons**

**Staffing**

Appendix G provides counts of individuals with disabilities by job group. The US Department of Labor suggests a benchmark of 7.0% for each job group. There is no requirement to calculate underutilization or set placement goals.

CUNY reports veteran representation annually through the federal VETS-4212 report.

**Hiring Rates**

The Exhibit on the following page illustrates hiring rates for veterans and individuals with disabilities as compared with previous plan years. The format is presented as prescribed by the US Department of Labor.

In March 2023, the federal government set the benchmark Hiring Rate for veterans at 5.4%, representing the prevalence of veterans in the United States workforce.

There is no federal hiring rate benchmark for individuals with disabilities.

Re: Reaffirmation of Commitment to Diversity, Equal Opportunity, Affirmative Action and Preventing Misconduct

At John Jay College, a Hispanic-Serving and Minority-Serving Institution, we know that our diversity is our strength. Diversity is one of our core values, and the vibrancy of our community is directly linked to the wide range of backgrounds, cultures, and experiences within our Bloodhound family. An integral step to embracing our diversity is reaffirming our ongoing commitment to CUNY’s Policies and Procedures on Equal Opportunity.

Non-Discrimination, and Sexual Misconduct. That’s why I’m writing to you today.

John Jay College and the City University of New York (CUNY) have a long-standing commitment to diversity and equal opportunity. As a community, we fully support these policies and practices that foster non-discrimination, affirmative action, diversity, and inclusion.

CUNY’s Policy on Sexual Misconduct prohibits sexual harassment and other forms of sexual misconduct, including sexual assault, stalking, and dating, intimate partner and domestic violence.

The Equal Opportunity and Non-Discrimination Policy prohibits any form of discrimination on the basis of race, color, creed, national origin, ethnicity, ancestry, religion, age, sex (including pregnancy, childbirth, and related conditions), sexual orientation, gender, gender identity, marital status, partnership status, disability, genetic information, alienage, citizenship, military/veteran status, unemployment status, status as a victim of domestic violence/stalking/sex offenses, or any other legally prohibited basis in accordance with federal, state, and city laws.

Additionally, as a federal contractor, CUNY engages in affirmative action for women, minorities, individuals with disabilities, and veterans—which is consistent with federal requirements for employees in all title groups. Italian Americans are included among CUNY’s protected groups.

I invite you to visit the CUNY website to view the policy in its entirety as well as the policies on Reasonable Accommodations and Academic Adjustments and Reporting of Alleged Misconduct.

All John Jay executives and administrators are responsible for maintaining a work environment free from discrimination and harassment, and for promoting diversity and inclusion in their departments. Our Office of Compliance and Diversity (CDO)—led by Gabriela Leal (gleal@jjay.cuny.edu), our Director of Compliance and Diversity/Title IX Coordinator—continues to address and investigate any allegations of sexual misconduct and discrimination and is also
available for managers interested in discussing and enhancing their department’s diversity and inclusion strategies.

We strongly encourage all members of our community to come forward, get help, or report any concerns they may have under our non-discrimination policies to the CDO.

You may also report incidents to the Public Safety Department (for all members of the College community) at 212-237-8524, the Student Affairs Office (for students) at L.71NB or 212-237-8100, or Human Resources (for employees) at the BMW Building, 10th Floor (555 W. 57th St.) or 212-237-8517. These offices will communicate with the CDO if the report involves sexual misconduct or discrimination. To file a report of discrimination online, you may do so on the CUNY University-Wide Discrimination and Retaliation Reporting Portal.

What makes John Jay special is the exceptional bonds that hold us together. Those bonds have representatives from every race, gender, ethnicity, religion, nationality, ability, and identity imaginable. Our college derivesthe longevity, dynamism, and fortitude from its remarkable diversity and ongoing commitment to equity. By reaffirming CUNY’s equal opportunity, non-discrimination, and sexual misconduct policies, we’re actively upholding the mission of our great institution.

With gratitude,

Karlo V. Mason

Appendix C  CUNY Policies

This Appendix has the text of major CUNY policies related to affirmative action and equal employment opportunity.

EQUAL OPPORTUNITY AND NON-DISCRIMINATION POLICY

The City University of New York (“University” or “CUNY”), located in a historically diverse municipality, is committed to a policy of equal employment and equal access in its educational programs and activities. Diversity, inclusion, and an environment free from discrimination are central to the mission of The University.

It is the policy of The University—applicable to all colleges and units—to recruit, employ, retain, promote, and provide benefits to employees (including paid and unpaid interns) and to admit and provide services for students without regard to race, color, creed, national origin, ethnicity, ancestry, religion, age, sex (including pregnancy, childbirth and related conditions), sexual orientation, gender, gender identity, marital status, partnership status, disability, genetic information, alienage, citizenship, military or veteran status, status as a victim of domestic violence/stalking/sex offenses, unemployment status, or any other legally prohibited basis in accordance with federal, state and city laws.

It is also The University’s policy to provide reasonable accommodations to applicants, employees and other persons on the basis of disability, religious practices, pregnancy or childbirth-related medical conditions, or status as victims of domestic violence/stalking/sex offenses.

This Policy also prohibits retaliation for reporting or opposing discrimination, or cooperating with an investigation of a discrimination complaint.

AFFIRMATIVE ACTION POLICY

CUNY has had policies related to affirmative action plans since the early 1970s. CUNY’s Affirmative Action Policy of May 28, 1985 is part of its Manual of General Policy.

ARTICLE V FACULTY, STAFF AND ADMINISTRATION
Policy 5.04 - Affirmative Action:

RESOLVED, that the Board of Trustees of The City University of New York reaffirms its commitment to affirmative action and directs the Chancellery and the colleges to reemphasize the taking of the positive steps that will lead to recruiting, hiring, retaining, tenuring, and promoting increased numbers of qualified minorities and women. (Board of Trustees Minutes, 1985-05-28, Section 6-C)

SEXUAL MISCONDUCT POLICY
CUNY’s Policy on Sexual Misconduct addresses sexual harassment, gender-based harassment and sexual violence. It outlines procedures applicable to students and employees for addressing complaints.

Every member of The City University of New York (“CUNY”) community, including students, employees and visitors, deserves the opportunity to live, learn and work free from Sexual Misconduct (sexual harassment, gender-based
harassment and sexual violence). Accordingly, CUNY is committed to:
• Defining conduct that constitutes prohibited Sexual Misconduct;
• Providing clear guidelines for students, employees and visitors on how to report incidents of Sexual Misconduct and a commitment that any complaints will be handled respectfully;
• Promptly responding to and investigating allegations of Sexual Misconduct, pursuing disciplinary action when appropriate, referring the incident to local law enforcement when appropriate, and taking action to investigate and address any allegations of retaliation;
• Providing ongoing assistance and support to students and employees who make allegations of Sexual Misconduct;
• Providing awareness and prevention information on Sexual Misconduct, including widely disseminating this policy, as well as a “students’ bill of rights” and implementing training and educational programs on Sexual Misconduct to college constituencies; and
• Gathering and analyzing information and data that will be reviewed in order to improve safety, reporting, responsiveness and the resolution of incidents.

This is the sole policy at CUNY addressing Sexual Misconduct and is applicable at all college and units at the University. It will be interpreted in accordance with the principles of academic freedom adopted by CUNY’s Board of Trustees.

OTHER POLICIES
It is our policy to recruit, employ, retain, promote, and provide benefits to employees and to admit and provide services for students without regard to race, color, national or ethnic origin, religion, age, sex, sexual orientation, gender identity, marital status, disability, genetic predisposition or carrier status, alienage, citizenship, military or veteran status, unemployment status or status as victim of domestic violence.

Management reaffirms its non-discrimination policies annually.

Other important policies available on CUNY’s “Policies and Resources” webpage include:

• Campus and Workplace Violence Policy
• Domestic Violence and the Workplace Policy
• Procedures for Implementing Reasonable Accommodations and Academic Adjustments

CUNY campuses report crime statistics, including statistics relating to sexual violence under the federal Jeanne Clery Act. Information is available from the campus Office of Public Safety (list name of office and/or website).
Appendix D-1  Utilization Analysis - Staff Job Groups

This Appendix provides a utilization analysis for each staff job group that has five or more employees.

Underutilization occurs where the utilization of a protected group is less than 80% of Labor Market Availability. We calculate a number approximating the number of full-time employees that would be needed to make utilization equal to the labor market.

Details of internal and external factors in estimating the labor market are provided.

Underutilization numbers for females and total minorities represent placement goals when there are opportunities for hiring/advancement.

Total Minority is comprised of Asian/Hawaiian/Other Pacific Islander, Black/African American, Hispanic/Latino, American Indian/Alaska Native and Two or More Races.

Appendix D-2  Utilization Analysis - College Laboratory Technicians

This Appendix provides a utilization analysis for College Laboratory Technicians in groups with five or more employees.

Underutilization occurs where utilization of a given group is less than 80% of Labor Market Availability. We calculate a number approximating the number of full-time employees that would be needed to make utilization equal to the labor market.

Underutilization numbers for females and total minorities represent specific placement goals when there are opportunities for hiring/advancement.

Details of internal and external factors in estimating the labor market are provided.

Total Minority is comprised of Asian/Hawaiian/Other Pacific Islander, Black/African American, Hispanic/Latino, American Indian/Alaska Native, and Two or More Races.
