Re: Fall 2024 Registration is Opening Soon!

Registration for the **Fall 2024 term will** open for all continuing students on **Thursday, April 11, 2024**.

Are you ready to register? Take these steps to make sure you get the classes you want:

- **Resolve any holds:** To register for courses, your account must be free of any active holds. If you have a hold, you've probably already received an email about it - **check your CUNYfirst account now to confirm that you're all set** to register for classes.

- **Register on time:** On **Thursday, April 4, 2024**, students will receive a separate email with their registration date and time for the Fall 2024 term. Note, emails will only be sent to students who are eligible to register. Registering on **the day of your appointment** is the best chance of securing your spot in the classes you want. Add it to your calendar so you don't forget!

- **Build your schedule:** Fall Shopping Carts will open **Friday, April 5, 2024**. You can use the CUNY Global Search feature to view the Schedule of Classes. Use **Schedule Builder** (available on CUNYfirst) **to add courses to your shopping cart** and plan your schedule.

All information in the Schedule of Classes is in effect at the time of publication. It is subject to change without notice when circumstances dictate.

What you should know:

- Students will be assigned a registration appointment. Registration date and time are based upon the number of credits that each student has earned within the student's classification i.e.: Senior, Junior, Sophomore and Freshmen. Individual academic progress generates your registration date and time.

- You may **not** register *before* your assigned registration appointment date and time. You may register at any point *after* your assigned appointment date and time, until September 3, 2024 to avoid late registration change of program fees. **Keep in mind that the earlier you register, the better chance you will have of finding the classes you want open.**

- Classes begin on Wednesday, August 28, 2024, and the term ends on Saturday December 21, 2024, with the end of final examinations (see the full Academic Calendar for more details).
