## F. NEW YORK STATE RESIDENCY

For the purposes of determining tuition charges, a student is considered a NYS resident if they have maintained domicile in NYS for a period of at least 12 consecutive months immediately preceding the first day of classes for the semester which the residency determination is made. Residence in a dormitory, hotel, or other temporary housing facility does not qualify for in-state residency. The Office of Admissions is responsible for coding all **incoming** students' residency status: [Residency & In-State Tuition | John Jay College of Criminal Justice](#). \*\*If you are a **continuing** student (sophomore, junior or senior level) and need to update your residency, you must address your inquiry to Registrar's Residency Unit at: [residency@jjay.cuny.edu](mailto:residency@jjay.cuny.edu).\*\*

- Graduate students who reside in the State of New York and are enrolled in 12-credits or more are eligible for a standardized tuition rate.** This means the student will pay a flat rate for registration between 12-18 credits.
- Graduate students who reside in the State of New York and are enrolled in 11-credits or less are eligible for an in-state, per credit rate of tuition.**

## G. BA/MA DEGREE PROGRAMS

The CUNY Baccalaureate/Master's Degree Program provides academically advanced students the opportunity to simultaneously pursue the Baccalaureate and Master's degrees. It is available at our campus to students studying Criminal Justice, Forensic Psychology & Public Administration. These programs allow exceptional students the opportunity to complete the two degrees in a five-year time period. In addition to the recognition associated with an advanced academic program and the potential for accelerated degree acquisition, the CUNY BA/MA Program has a built-in scholarship incentive:

- CUNY BA/MA students are charged the undergraduate tuition rate for graduate courses until they reach 120-credits. Once the 120-credits have been met, students are then charged at the applicable graduate tuition rate—even if taking an undergraduate course.**

## H. ACCELERATED DUAL ADMISSION PROGRAM (ADAP)

The Accelerated Dual Admission Program (ADAP) is an accelerated program, intended for students to attend full-time.

- ADAP students are charged the undergraduate tuition rate until they complete 120-credits and earn their Bachelor's degree. Students are then considered graduate students and the tuition is charged at the applicable graduate tuition rate.**
