

## Conference on Fire Safety

March 19, 2025  
10:00AM-3:00PM

### Event Agenda

#### Conference Host

Anthony Gentile, Center for Private Security & Safety

#### Moderator

Paul Kearns, Department of Security, Fire & Emergency Management

#### Speakers

##### **“Existing and Emerging Technologies in Fire Safety”**

Dr. Charles Jennings

##### **“Impact of Fire Codes on the Safety of Occupants in the Built Environment”**

Glenn Corbett, PE

##### **“Fire Safety in High Rises and the Impact on Occupant Safety”**

Jack Murphy

##### **“Fire Protection and Property Loss Prevention – Going Beyond Building and Fire Codes”**

Richard Cardile, PE

This one-day conference on Fire safety features renowned experts from John Jay College of Criminal Justice and the private sector, who will discuss important topics such as IoT technology, tactical evacuation procedures, fire safety inspection techniques and the overlap between fire codes and security systems. Industry leaders, Charles Jennings, Glenn Corbett, Jack Murphy and Richard Cardile will share innovative solutions and best practices to improve fire safety and emergency response.

Whether you're a fire science or security professional, an emergency responder, or a student, this innovative conference provides key insights to help you stay ahead of new threats and protect your organization. You'll gain valuable knowledge to improve your fire science protocols and enhance emergency response.
