John Jay College Center for Student Involvement and Leadership

How to Start a Student Organization

"Let CSIL Help You Find Your Way"

The City University of New York, John Jay College of Criminal Justice, Center for Student Involvement and Leadership, 445 West 59th Street, New York, NY 10019

Dear Student Leaders:

Each year John Jay College is supported by new student leaders developing student organizations to provide the college community with academic, social, cultural, political, visual and performing arts, media, religious, athletic, and community service information and events. These organizations not only add to the robust atmosphere of the college, but also engage students in the out-of-class educational experiences that will shape their path toward success as they prepare for the global world.

This <u>Student Organization Certification Guide</u> is designed to inform students of the necessary procedures that have been set in place in order to function as a recognized student organization. It is also designed to provide students with a draft of how to establish a constitution. There are several required forms contained in this packet to make the certification process as simple and efficient as possible.

We hope that you will find the information contained herein useful. The Center for Student Involvement and Leadership is here to assist you in any way possible and we look forward to working with you throughout the academic year. Please do not hesitate to seek us out. We can be reached at 212-237-8698. We wish you much success in both your academic and co-curricular endeavors.

A Student Organization must have four Executive Officers elected by the membership of that organization.

Those four positions are President, Vice-President, Secretary and Treasurer. A Student Organization must be registered and your club/organization's information must be filed with the Center for Student Involvement and Leadership at the beginning of each academic semester.

A Student Organization must have <u>at least</u> three meetings each semester with a minimum of fifteen (15) registered John Jay students at each meeting. The Charter of the Student Government requires minutes be kept of all meetings and that the Advisor, Judicial Board, or CSIL designee must sign to attesting to their accuracy. Copies of the minutes must be signed and submitted to the Center for Student Involvement and Leadership, Room L2.71.00 NB. Advisors should be advised of the Student Organization's meeting schedule at the beginning of the semester.

Other requirements may be established for clubs above the minimum requirements in the Student Government Charter.

These requirements typically come in the form of guidelines that are provided on an annual basis by the Budget Committee of the Student Council, the Committee on Essential Services, and the Committee on Clubs.

For assistance on getting your student Organization started please make an appointment with Mr. Angel Sanchez at the Center for Student Involvement and Leadership at angsanchez@jjay.cuny.edu, rm. L2.71.05.

Student Organization Office Space

To be eligible for student office space, the student organization must be recognized by John Jay College and the Student Government Association. Office assignments, although renewable, are not permanent. The Center for Student Involvement and Leadership reserves the right to place more than one student organization in any given space, based on the demand. If multiple student organizations are assigned to the same space, adequate furniture and equipment will be provided in order for effective sharing. We expect student organizations to be courteous and respectful of those sharing space. Room space is assigned for a specific period of time, the academic year, which runs from the completion of the fall student organization registration period until the last day of spring semester examinations. Any student organization that loses its recognition status will not be eligible to maintain office space.

Members of the student groups may access the offices during normal operating hours of 7am-11pm. The office space is to be utilized for legitimate activities (meetings, gatherings and business of the student group). Sleeping, overnight stays, or any other activities for non-organizational purposes are absolutely prohibited and will result in removal of office space privileges. Executive officers should maintain regular office hours (10 hours per week) to conduct the business of the student organization and be available to answer questions from interested students.

Student organization room locks are changed every year, and student organizations must meet compliance requirements in order for the executives to receive new keys to their student organization room. The key must be returned by the end of the academic year (or as executive members change) to the Office of Public Safety. If the key is not returned, the Center for Student Involvement and Leadership will charge the student with the cost of changing the locks and replacing the key (\$25 replacement fee and \$50 for a lock replacement). The President of the organization must provide the Center for Student Involvement and Leadership an updated executive member list (President, Vice President, Treasurer and Secretary); only the names of these individuals listed will be eligible for a "key run" (a key run is when someone is locked out of their room and a Public Safety officer has to come and open it for them).
