SUBJECT: TIAA and 457 Deferred Compensation Phone Meetings

To protect the health and safety of plan participants and its employees, TIAA and the 457 Deferred Comp Plan has decided to move all scheduled in-person appointments to phone or online appointments. Below you will find the updated TIAA flyer showing all dates as being phone based until the campuses resume having its full staff on campus.

If you originally scheduled an in-person meeting with a TIAA financial consultant, they will contact you in advance of your scheduled appointment about converting your meeting to a phone or online appointment.
