

We are excited to welcome you back on campus after three virtual semesters! Some of you might be taking in-person or hybrid classes on campus, others will come to use our student success services – either way, we can't wait to see you!

You all must have a lot of questions about finding your way on campus, so here are some tips and resources to make sure that you connect with your classes, professors, and friends:

### **Accessing Your Classes**

1. Make sure you know if your classes meet on campus or online. [See how to check that in CUNYFirst](#).
2. For you online classes, log into [BlackBoard](#) to find out information about your course.
3. For your on-campus classes, check your room numbers, and make sure you know which building your class is located and what entrance to use to get there. [See Campus Map](#).
4. For both online and hybrid classes, [check that your John Jay email is accurate in Blackboard](#) and CUNYFirst to be able to receive updates from your professors.
5. If you need to join an online class, while you are on campus, you will be able to use multiple study spaces, such as the library, computer labs and L.61 in the New Building.

### **Accessing the Campus**

In order to come to class or use campus services, you will need to be fully vaccinated or have taken a negative COVID test within 7 days at an approved CUNY site. Note that everyone on campus is required to wear a mask at all times.

### **If you are currently vaccinated**

1. [Upload your proof of vaccination to CUNYFirst](#). After approval, your proof of vaccination will be linked to your [John Jay ID card](#) for a seamless entry.
2. If your vaccination status is not approved in CUNYFirst yet, please bring your vaccine card / proof of vaccination on the first day and show it the Public Safety

officer upon entrance.

**If you are currently unvaccinated**

1. You will have to present proof of a negative COVID test taken within the past seven days at an [approved CUNY site](#).
2. Look for an email from [no-reply@cleared4work.com](mailto:no-reply@cleared4work.com) in your John Jay email. This email was sent from [Cleared4.org](http://Cleared4.org) on behalf of CUNY with a link to enroll in the testing program.

We look forward to welcoming you back on campus!
