

**Attention! There is a new, updated version of the POL major as of Fall 2020**

If you are **currently in a concentration** in the Political Science major and would like to remain in that concentration, you must select courses from that concentration list to complete Part Four of the major. See Degreeworks or the 2019-20 Undergraduate Bulletin for concentration course options (<http://jjay.smartcatalogiq.com/2019-2020/Undergraduate-Bulletin/Majors/Political-Science-Bachelor-of-Arts> ).

If you are currently in the Political Science major but would like to follow the **new version of the major (Fall 2020)**, which does not require a concentration, you must fill out a new [major declaration form](#). No approval signature is required, and you can email the form as an attachment to [jayexpress@jjay.cuny.edu](mailto:jayexpress@jjay.cuny.edu). **Please indicate in your email that you are already in the major but want to follow the Fall 2020 version of the major.**

If you were a Political Science major before Fall 2020, **but never selected a concentration**, you will also need to fill out a new major declaration form to select the new version of the major and email it to [jayexpress@jjay.cuny.edu](mailto:jayexpress@jjay.cuny.edu). Again, no approval signature is required. Please indicate in the email that you are already in the major and just want to follow the Fall 2020 version of it.
