

# John Jay College

Computer Science and  
Information Security  
Major – as of Fall 2021

Math Prerequisite  
Core  
Computer Science Elective  
Mathematics Elective

## Notes:

ENG101: *prerequisite* for all 200-level courses  
ENG201: *prerequisite* for all 300-level courses

*Math prerequisites do not count towards the credits needed for the major.*

## Calculus Course changes starting Fall 2021:

3-credit Calculus courses (MAT241, 242, 243, 244) are being phased out and replaced with 4-credit courses.

MAT151 (4 cr.) replaces MAT241 (3 cr.) in Fall 2021.  
MAT152 (4 cr.) replaces MAT242 (3 cr.) in Spring 2022.

Fall 2021 is the last semester MAT242 will be offered.

MAT152 will require MAT151 as its prerequisite.  
MAT241 cannot be used as prerequisite for MAT152.
