

# ADVANCED CERTIFICATE IN HEALTHCARE INSPECTION AND OVERSIGHT

Offered by the Inspection and Oversight M.P.A. program, this advanced certificate:

- Prepares students for careers in the assessment, monitoring, regulation, auditing and investigation of health care organizations and service providers;
- Explores real world examples of fraud, waste and abuse in the health care sector, which are estimated to cost the United States tens of billions of dollars each year;
- Enhances students' career options in oversight and compliance in the public, nonprofit and private sectors.

## FEATURES OF THE PROGRAM

- Graduate level stand-alone certificate
- Requires 15 credits to complete
- Offered fully online
- Available to all MPA students, as well as any interested individuals who meet the application requirements
