PROFILE

Hello! My name is Andrea Pinales, I am a sophomore this year majoring in Political Science and minoring in human rights. In the future, I am hoping to become a Civil Rights Lawyer and be able to give back to communities. As a tutor this semester, I believe with being able to be patient and communicate with you to help you in what you need come up with different strategies to help overcome those struggles, allowing for you to grow comfortable and confident in what you do whether it be a quiz, homework, or even your final exam! I am always open to any questions you may have and learning how you learn.
