PROFILE

My name is Lauren Gunderson. I graduated from Boston College with a Bachelor's degree in Sociology. I then began a second undergraduate degree at John Jay College of Criminal Justice specializing in Forensic Science, from which I transitioned into the Master's program with a Criminalistics focus. My main topics of interest are microscopy and microchemistry.

I began teaching General Chemistry in January 2009 with a Che 102 lab, and have been teaching a variety of General Chemistry courses ever since. I also work as a lead tutor in the Math and Science Resource Center. My focus is chemistry, but I also support other introductory biology, general science, and mathematics courses..

When I'm not teaching, I'm usually helping my dad on his farm in upstate NY, hanging out with our three labs, or playing my X-Box (I love Mass Effect and Liara is my hero).

COURSES SUPPORTED

- CHE 101, 102, 103, 104
- SCI 110, 112, 114

AVAILABILITY

- MONDAY: 1:00 PM – 5:00 PM
- TUESDAY: 9:00 AM – 1:00 PM / 2:00 PM – 6:00 PM
- WEDNESDAY: 1:00 PM – 6:00 PM
