New Student Orientation
Welcome!

We are so excited for you to be joining us in the Spring semester! While I know that virtual orientation is not ideal, we have created a process that will allow you to be prepared for the start of your time here at John Jay College of Criminal Justice but also allow you to connect with other new students, current students, and staff members.

We are excited for you to become part of our community and connect with the new students. I want you to know that the entire University community is here to support, sustain, and encourage you as you commit to study at John Jay. We could not be more privileged to welcome you into this vibrant learning community. It is you who make us what we are, and we look forward to the fresh ideas and energy you bring to our campus. As you set out on the incredible journey that will help to shape the thinkers, workers, citizens, and fierce advocates of justice you are destined to be!

If you have any questions, please email us at orientation@jjay.cuny.edu!

1) Setting Up your John Jay email and Zoom Account
