**To:** All Students, Faculty and Staff  
**From:** The Office of the Registrar  
**Date:** April 4, 2023  
**Re:** **Fall 2023 Semester Enrollment (Registration) Information**

---

Registration for the **Fall 2023 semester** will begin on **Monday, April 17, 2023**. In order to register for classes, your account must be free of any active holds. Some common holds that prevent registration include, but are not limited to, Bursar, Financial Aid, and Advising.

Review your CUNYfirst account [now](#) and address any active holds, as these may prevent you from registering for classes.

The following information will assist you in this enrollment (registration):

### **Fall 2023**

- Students **will be assigned an enrollment (registration) appointment** via Schedule Builder, which may be viewed **Monday, April 10, 2023**. Registration date and time are based upon the number of credits each student has earned within the student's classification, i.e., Senior, Junior, Sophomore, and Freshman. Individual academic progress generates your registration date and time. Instructions on how to find your assigned appointment can be found [here](#).
- Students can only register **after** their assigned appointment date and time until August 24, 2023, the day before classes start for Fall 2023. **Remember that registering on your appointment date and time gives you a better chance of finding your desired courses.**
- Review the **Fall 2023 semester** Schedule of Classes on April 10, 2023. Log into your CUNYfirst account or use the CUNY Global Search feature; you can access it by clicking the link below: <http://www2.cuny.edu/academics/academic-programs/register-for-a-course/>.

All information in the Schedule of Classes is in effect at publication. It is subject to change without notice when circumstances dictate.

- **Fall 2023** classes will begin on **Friday, August 25, 2023**, and end on **Wednesday, December 20, 2023**.

The College instructional delivery mode will be mostly in-person; however, hybrid and online options are also available.

All students registering for a fully in-person or hybrid class for the Fall 2023 term and thereafter must be “fully vaccinated” unless they have been granted a religious exception or medical exemption to the vaccine.

BMW Building, 600B
