

View Your Enrollment (Registration) Appointment

Schedule Builder does not allow registration prior to your assigned appointment. However, you can plan a schedule in Schedule Builder prior to your appointment. Courses in Schedule Builder are *not* automatically added to your schedule; you must complete the registration process to be enrolled.

- Log in to CUNYfirst.
- Select the Student Center Tile.
- Select the Course Planning and Enrollment Tile in your CUNYfirst Student Center for the specific date and time when you can start registration.
- Choose Enrollment Dates on the left-hand side
- Click on the term and click the Continue Button
