Applied Economist and Nonprofit Finance Experience (Full-Time):

Community Service Society of New York 2010- 2014

Senior Labor Market Analyst (Promotion, 2011-2014)

Labor Market Analyst (2010-2011)

- Used publicly available data sets from the U.S. Census Bureau, the Bureau of Labor Statistics, the New York State Department of Labor, and the National Bureau for Economic Research to conduct statistical analyses on employment, unemployment, and wages in the U.S., New York State, and New York City.
- Wrote published reports and opinion pieces on post-recession job creation, long-term unemployment, and New York City's labor market.
- Regularly conducted presentations and delivered testimony at City Council of New York and U.S. congressional briefings hearings on issues related to unemployment, poverty, and job creation policies.

The New School for Social Research, Schwartz Center for Economic Policy Analysis

Research Associate 2007-2008

- Provided research support to Center's Director.
- Specific research areas included: the role of public spending on infrastructure in economic growth; race, incarceration, and wages.
- Co-authored report on the impact of public spending on job creation.

Dēmos 1999-2006

Finance Director

- Oversaw all aspects of \$5 million nonprofit organization's fiscal unit. Developed from the ground up finance unit for start-up nonprofit. Served on management team.
- Prepared and presented financial reports to board, President, and staff. Worked closely with board Treasurer to ensure sound fiscal policies.
- Managed annual budget development process. Worked closely with senior management and President to craft and implement annual budget.

Office of the State Deputy Comptroller for New York City 1995-1998

Associate Financial Analyst/ Economist (Promotion, 1996-1998)

Senior Financial Analyst/Economist (1995-1996)

- Developed models to forecast the City's \$1 billion in business tax revenue.
- Analyzed data on the employment trends in the City's industrial, government, and social services sectors.
- Contributed written pieces and tax forecasts to 10 quarterly economic reports.
- Monitored and wrote about the impact of federal welfare reform on labor force size and change in wage dollars for low-wage workers in NYC
