

STEM MATH PROGRAM

The **Early Start STEM Math Program** gives you the chance to start your academic journey early and **earn credit for your MAT 105 requirement.**

THE EARLY START Advantage

- 1** Pay no out-of-pocket costs towards tuition and course materials for your MAT 105 summer course!
- 2** Prepare for success in your STEM major.
- 3** Enjoy a smaller class size and extra support.
- 4** Work with the same professor in pre-calculus this fall.
- 5** Make friends who will be in your fall classes.

You will complete your required MAT 105 college algebra course this summer and enroll in MAT 141 pre-calculus for the fall.

WHEN IS IT OFFERED?

Early Start summer classes meet in-person Monday through Thursday, **July 18 to August 18, 9:30am-1:30pm.**

WHAT CAN I EXPECT?

Your Early Start experience includes class time, activities to prepare you for college success, and assignments to complete on your own. Expect to spend at least **four hours a day on campus** but set aside additional time to complete assignments.

HOW DO I SIGN UP?

Go to www.jjay.cuny.edu/earlystart and submit an online application. We will email you within a week to confirm your registration. It's that easy!

QUESTIONS?

For questions or help deciding if this opportunity is right for you, please contact firstyearprograms@jjay.cuny.edu.
